To whom it may concern:

My name is Jimmy Brents and I have had the opportunity to work with Henry Leingang on many projects for over a decade. I believe he is a great choice for studio work.

Henry is an excellent performer on both guitar and bass. He has deep knowledge of the necessary theory and styles for both instruments. When working with him in the studio, he stands out for his versatility, clean in the pocket playing, and quickly adapting to changes. His pleasant attitude and willingness to try different ideas on the fly makes him easy to collaborate with.

Sincerely,
Jimmy Brents
