# PrediDocs Login

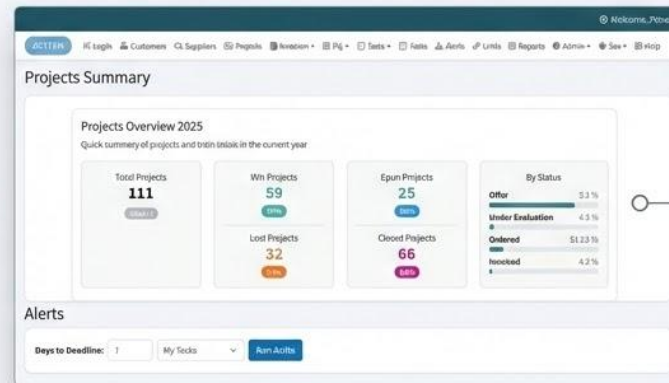

## From Login to Leadership in Seconds

No more digging for information. PrediDocs delivers a complete operational summary the moment you log in.

The login form is titled "PrediDocsWeb" and "Sign into your account". It includes a "Company ID" dropdown menu with "DEV" selected, a "Username" field with "Petios" entered, and a "Password" field with masked characters. A blue "Login" button is at the bottom. Below the button are links for "Forgot password?", "Don't have an account? Register here", and "Terms of Use + Privacy Policy".

Centralized access to all your companies from a single, secure login.

Get an immediate, at-a-glance view of project health, status distribution (e.g., Won, Under Evaluation, Ordered), and critical alerts.

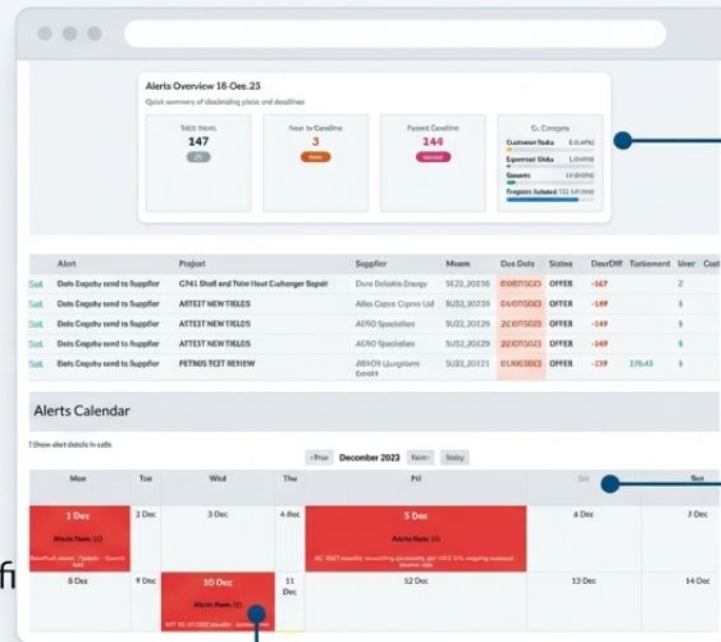

The data presented are test data, prepared solely for demonstration purposes within a testing environment.

# Alerts UI

## Stay Proactive and Prevent Missed Deadlines with Automatic Alerts.

Reduce the need for manual tracking. The integrated **Alerts Management Module** provides a central view of all upcoming and past-due tasks. Transparent tracking and a calendar view ensure the right people are notified the right time, improving accountability and enabling faster decision-making.

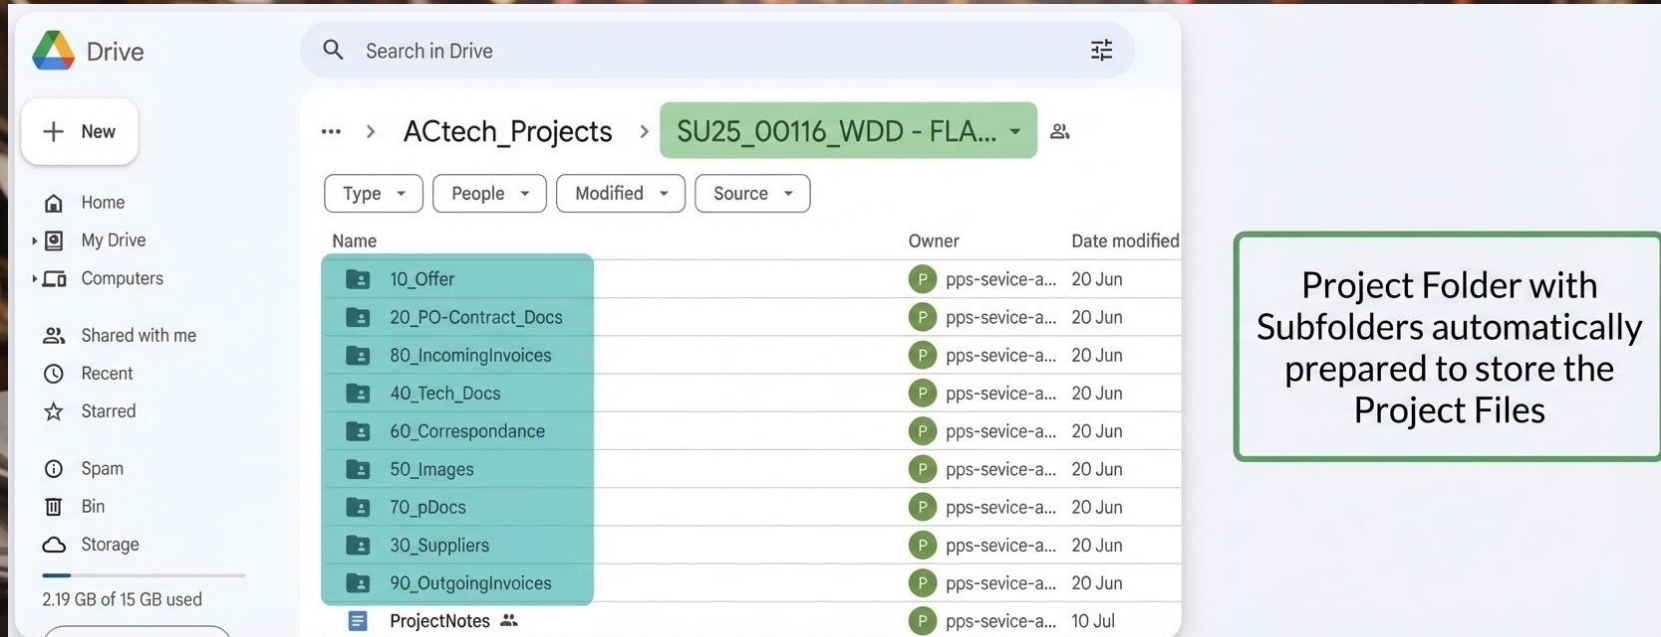

At-a-glance overview of all alerts.

Calendar view for proactive planning.

# End Docs Chaos

The screenshot shows a Google Drive interface. The search bar at the top contains "Search in Drive". The breadcrumb path is "ACtech\_Projects > SU25\_00116\_WDD - FLA...". Below the breadcrumb are filters for "Type", "People", "Modified", and "Source". A table lists the contents of the folder:

Name	Owner	Date modified

30_Suppliers	pps-sevice-a...	20 Jun
90_OutgoingInvoices	pps-sevice-a...	20 Jun
ProjectNotes	pps-sevice-a...	10 Jul

A callout box on the right contains the text: "Project Folder with Subfolders automatically prepared to store the Project Files".

When you create a new project, PrediDocs automatically generates an organized Project Folder in Google Drive. All related documents from offers to PO to technical docs and invoices — are stored in a dedicated, easy-to-find home.

# Organize emails

The screenshot displays an email client interface. At the top, there is a search bar and several utility icons. Below this is an email composition window with the following details:

- From:** aeneroreznart@gmail.com
- To:** aoneratenzname@gmail.com
- Subject:** RE: REQUEST FOR QUOTATION - SUPPLY OF SPARE PARTS FOR ERS SYSTEM (SU25\_00159)
- Project us:** (tagged on the right)
- Body:** Hi Grane, Thank you. ...
- Buttons:** Send, and icons for attachments, links, and other actions.

Below the composition window is an 'Emails (1)' list with a 'Filter' button and a search bar. The list contains the following entries:

<input type="checkbox"/>	Name ↑	Subscription	Date ↓

# Collaborate with PrediDocs Project Notes in Real-Time

The screenshot displays the PrediDocs ProjectNotes application interface. The main document area shows a document titled "ProjectNotes" with a menu bar (File, Edit, View, Insert, Format, Tools, Extensions, Help) and a rich text editor toolbar. The document content includes a "PROJECT SECTIONS" header, a "Tender Specs" section, and a table with the following data:

ITEM	DESCRIPTION	QTY
001	BOILER 3 COMBUSTION CHAMBER FABRICATION	1 LOT

Below the table, the text reads: "THE SCOPE OF WORK IS THE FABRICATION OF COMPLETE COMBUSTION CHAMBER BOTTOM OF BOILER 3. THE FABRICATION OF COMBUSTION CHAMBER BOTTOM FOR BOILER 3 SHOULD INCLUDE THE FOLLOWINGS:"

- 1) SUPPLY OF RAW MATERIAL
- 2) BEND PANELS-BOTTOM MEMBRANE WALL OF COMBUSTION CHAMBER.
- 3) EVAPORATOR HEADER CONNECTION TUBES.
- 4) SPARE STEEL STRIP (FINS) 20x8mm IN QUALITY 15Mo3 FOR SITE SEALING

The left sidebar contains a "Document tabs" section with a list of project sections: OVERALL STATUS, Team Comments, TENDER ANALYSIS, Specs (highlighted), SUPPLIERS INVESTIGA..., Specs/OffersCompari..., RiskAssesment, OFFER SUBMISSION, DELIVERY & INVOICING, and Lessons Learned. A blue arrow points from the "Specs" section in the sidebar to the "Tender Specs" section in the document. Another blue arrow points from the "Tender Specs" section to the table. A callout box on the right states: "PrediDocs automatically organizes all project sections so project members can collaborate interactively."

# From PO to Invoice To Organized Archive, Automatically

Eliminate manual file management. PrediDocs automatically **generates** and files your project documents in a logical, consistent Google Drive structure.
