His Excellency:

Hope this finds you and your family well.

It is our honor to come to you in a good way of peace, good will, and friendship to carry out our government's mission to the benefit of your country with economic development, social needs, humanitarian, valuable technologies, and methods of providing invests and funding.

Our government has been instructed by representatives of your government to provide the new administration with the existing accords between our governments. In addition, we were provided with the Guinea video press release from CNRD 16 September 2021 Lieutenant Colonel Aminata Diallo confirming to maintain all accords to include but not limited to international agreements and treats signed by Guinea with conventions, foreign countries, international organizations, and private investors <https://fb.watch/86Hy8D9nq0/>

We were contacted by a deputy minister of the Ministry of Foreign Affairs and International Cooperation one week prior to President Alpha Condé being detained by the Army, they desired to move forward with additional benefits we are providing. We were presented with enhancing our existing agreements to include a commercial and economic diplomacy agreement. We would like to inform you that we are still open to additionally enhancing our accords together with a commercial and economic diplomacy agreement which will provide additional benefits to your country, these additional benefits which were not available when we originally signed together the initial accords by which we are willing to include now if you are interested, for they are far more beneficial and come to you at a time most needed and desired. We feel there is no better time than now due to great needs of countries globally created by the cause and effect the pandemic, increased debt, and many other causes. Until such time any

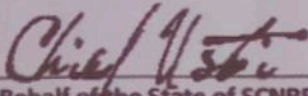

additional accords may be established, we desire and confirm to move forward with our existing accords together as made mention to, supported, and confirmed by the Guinea 16 September 2021 video press conference.

Please find attached to this letter a copy of the existing accords between us. Our appointed emissaries Hon. Sonny Conteh and Hon. Robin Camara will be following up accordingly in a good way.

Thank you in advance.

Respectfully,  
Chief Prime Minister of the State of SCNRFP
