### Reference: LETTER OF INTEREST (LOI) Update, INTRODUCTION OF THE STATE OF SCNRFP AND SEPARATION OF POWERS

Prime Minister Chief Gees-Due OO-Neh-Gah Usti of the Southern Cherokee Nation and The Red Fire People (State of SCNRFP), and Approved by our Theocracy Government, and the Persons Empowered to Act on Behalf of the State of SCNRFP in actions concerning the international diplomatic accords, hereby acts as follows:

His Excellency:

It is my honor to communicate with your esteemed self and beautiful historical country. I hope this finds you well and wish you long life and blessings. Your knowledge and actions of your esteemed career of public service, education, and business speaks for itself as being a great benefit to your nation.

Officially, The State of SCNRFP would like to thank you in advance for the time that you are so kindly providing The State of SCNRFP for the benefit of your nation, our nation, and for the world.

**Update: We hope to have a good and official relationship between our nations for peace, good will, and friendship.** Our recognized international independent sovereign neutral country comes in a good way, whereby our nation being a neutral nation poses no kind of threat to life, liberty, economic, and social.

The State of SCNRFP missions is that of peace, good will, providing ways to support and benefit the hosting nation and your people with humanitarian, investments, funding, technologies, economic development, social needs, and otherwise related.

**The State of SCNRFP provides three defined principal ways that would be most proper and good for our two great nations to work together, feel free to choose all three. It should be aware that Number One is necessary to have a proper relationship. Number Two is optional but provides even more benefits to the Hosting Nation. Number Three is possible with or without Number Two and even possible without Number One, but we do desire to have a good relationship the Hosting Nation and see the Hosting Nation benefit ongoing.**

**(Number One)** Please find attached herewith a letter marked 8.a. for intimating you with formal request of the establishment of an Extraterritoriality Trade Mission Office (ETMO) and for your acknowledgment, recognition, and approval of the 8.a. document, while **(Number Two)** the 8.b. provides a number of more benefits in support to your state to include ongoing investments and funding long-term. It should be noted that we are providing and introducing one hundred percent investment into economic centers whereby we are also providing equal sharing of The State of SCNRFP receivables for humanitarian, social needs, and to establish economic centers to the benefit of your country which is far better than any economic zone known today. This sharing will additionally assist in supporting any needs you may have a desire to support within your own country. Making available many kind and generous worthwhile valuable offers and opportunities that provides important methods of financial support and profits centers with having the best interest of your great state. These profits centers can be better than

the unpredictable foreign aid, rather may provide 365 days a year of long-term foreign aid through proper relationship and cooperation.

**(Number Three)** Equally our government is most interested and willing make a purchase or long-term lease (purchase preferred) of one of the islands or inland for countries that do not adjoin the sea, to be used for also humanitarian base, administrative purposes such as global foreign affairs offices supporting extraterritoriality trade mission offices globally, such a purchase will additionally benefit your nation. These island and shoreline properties are being taken over by the ocean as we speak and will one day soon be under water caused by climate change. At such time it will not be usable nor have any value as an island to your country. Much is changing globally with shifting of world powers and global currencies, to include the world's reserve currency. Many more needs are coming caused by climate change, war, and otherwise. The State of SCNRFP poses no threat as we are unaligned and neutral nation. The State of SCNRFP has many valuable technologies to assist many current and forthcoming troubles. Without making mention to all the many current and forthcoming concerns it is good to have more positive relationships for any additional contributes to see you through.

Through these means of our request, we seek first to develop a relationship of Peace and Goodwill and Friendship, followed by the strengthening of both States and our peoples through making available to your great state with support of humanitarian, social needs, economic development, technologies, investments, funding and other opportunities in a good way, as you may need, desire, and suggest, while making available many kind and generous worthwhile offers and methodologies providing important methods of financial support and profits centers with always the best interest of your great state.

This pandemic has also shown how easy things can happen and has created many needs by countries globally, therefore, no better time for our relationship to begin in ways to curve these needs and those to come, no better time to begin a friendly relationship together whereby we desire the best for your nation. There could be no better time for our great states to form a friendly relationship and coming together in a good way for first peace and good will and friendship, whereby we desire the best for your nation and peoples. State of SCNRFP believes that such a relationship will be long-lasting and mutually beneficial to both our great states.

#### SEPERATION OF POWERS EXPLAINED

**The State of SCNRFP is the Central Government that is not in America and The Traditional Tribal Government is within the original treaty boundaries. Both are under the Theocracy Government.**
