Dear Chief Prime Minister, SCNRFP,

Re: Invitation to Participate in Sierra Leone Infrastructure Development

With reference to the above, I write to acknowledge receipt of your letter expressing your interest and preparedness to transform our country and we appreciate the interest expressed in the funding and development of major infrastructure projects that are of high priority in the Government's agenda.

The new leadership led by HE President Dr. Julius Maada Bio for the development of Sierra Leone, requires massive funding and development. We hereby express our wish and willingness to establish a fruitful and constructive collaboration with your Administration.

Therefore, we formally invite the Chief Prime Minister, SCNRFP (H.E Chief Gees-Due-OO-Neh Geh Usti) and your delegation to visit Sierra Leone. Most importantly, your investment is geared at promoting and complementing the government **BIG FIVE** pillars development plans which is a critical component in the development of the country's infrastructure sector.

By this invitation, His Excellency the Chief Prime Minister, we hope to have more detailed discussions that will focus exclusively on your proposed investment interest and priority projects especially the Inland and hopefully firm up a more committed Agreement

Please accept the assurances of my highest consideration.

Yours sincerely,
