COACHES CORNER:

The State Office has a new system for Coaches' Education and Class A Volunteers. These enhancements are being put in place to ensure the athletes we serve are provided a fun and safe environment, improve the consistency in data collection and sharing, and streamline our communications.

- Class A Forms will now be collected on a single Microsoft Form and processed on a weekly basis (Wednesdays). There will be NO other way to submit these forms. The official form can be found [HERE](#)
 - After a volunteer fills out the form you will receive an email from Special Olympics Ohio Inc to complete the background check. **Both steps are required to be "cleared."**
