### **COACHES CORNER:**

The State Office has a new system for Coaches' Education and Class A Volunteers. These enhancements are being put in place to ensure the athletes we serve are provided a fun and

safe environment, improve the consistency in data collection and sharing, and streamline our communications.

- Class A Forms will now be collected on a single Microsoft Form and processed on a weekly basis (Wednesdays). There will be NO other way to submit these forms. The official form can be found [HERE](#) **We are known as "Franklin Westerville."**
  - After a volunteer fills out the form you will receive an email from Special Olympics Ohio Inc to complete the background check. **Both steps are required to be "cleared."**
  - Link for Protective Behavior and Concussion Training: <http://elearn.specialolympics.org/>
- - **General Orientation** (Click on button below) This certification explains the basics of Special Olympics Ohio, coaching, and an introduction to the many programs we offer as an organization.
