

OLH

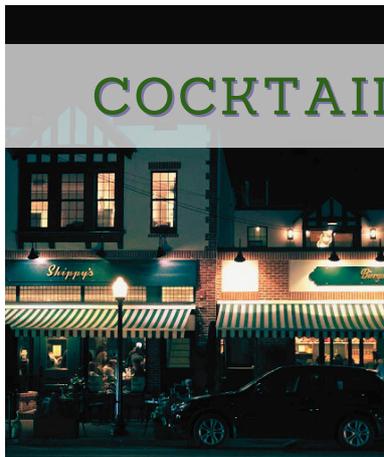

2026 Bucks for Books Sponsorship Event

Our Lady of the Hamptons Regional Catholic School stands as a shining example of education and community on Long Island's East End. What sets our school apart is its operation without taxpayer funding; we depend entirely on tuition, generous contributions from benefactors, and fundraising efforts by families. As we continue our dedication to academic excellence and growth, we have launched our annual **Bucks for Books Fundraising Campaign**, one of our most significant initiatives of the year. This campaign is crucial for supporting the development of our school community and equipping students for the challenges of today's world.

The OLH school community is excited to host our annual cocktail party to celebrate the conclusion of the Bucks for Books campaign and to reveal the winners of over \$20,000 in cash prizes. This event provides a wonderful chance to connect with parents, alumni and community members, offering local businesses a fantastic opportunity to demonstrate their support for education while engaging with a focused audience.
