

Bucks for Books Raffle Remnder

Drawing on February 5, 2022

Now is the time to either purchase or sell your 5 raffle tickets. With less than 4 weeks remaining before the big drawing we still have more than 550 tickets left to sell. Please find the envelope you were given containing your Bucks for Books tickets. Fill them out and turn them in to the office with your check, cash or credit card! Tuition is low, and is kept low, because of this fundraising requirement. The money must be raised one way or another – remember there was a minimal tuition increase this year, not even to meet Cost of Living Adjustments (this means that while expenses for educating our children rose, income to the school did not). Tuition rates this low cannot be sustained if we do not all work together to raise these funds.

Remember selling or buying 5 tickets enters your name in the tuition credit raffle for 2022/2023 school year. Again, we have less than one month to accomplish our goals and every family in this OLH community must make the commitment to make this happen. **WE CAN DO THIS!!**
