## THANK YOU FOR A GREAT YEAR

As the sun sets on the 2021-22 school year, we give thanks for all the support and involvement of so many people. Making our way out of quarantine, masking, small class pods and remote instruction, we have emerged stronger for the experience, wiser for the decisions and, hopefully, more patient with each other..

Taking some time this summer to refresh and regroup should...hopefully...give us renewed energy to accept the challenges that lie ahead!

When we return in September, let's balance our expectations with the realities that present themselves.

Until then....know how grateful we are for each and every person who has been a special part of OLH2021-22.

## THEY ARE HEADED FOR THE FUTURE!

*In the excitement of caps and gowns and formal diplomas, another whole "crew" of OLH students accepted congratulations at their own end of the year celebrations.*

*Twenty-three pre-schoolers sang and did special recitations at their own ceremony at St. Rosalie's Community Center . June 13.*

*On the following day, thirty-four kindergartners presented their class play on CHARACTER MATTERS. A full scale musical play was offered with amazing lessons, lines and songs.*

*At the conclusion of the play, each student was presented with his or her diploma signifying the end of the first step of formal schooling at OLH!*
