OUR LADY OF THE HAMPTONS REGIONAL CATHOLIC SCHOOL is a unique community of students, teachers and parents. The school, located on the South Fork of Eastern Long Island, is a fully accredited elementary school for young people in grades Kindergarten through the Eighth Grade and, as such, is a part of the New York State Education Department and the Diocese of Rockville Centre.

A fully licensed pre-school program for three and four year olds operates at St. Rosalie's Parish Center in Hampton Bays. The school is administered by the Sisters of St. Joseph of Brentwood, and staffed by a fully accredited faculty of religious and lay teachers.

In an attempt to create a family spirit, the interaction of all family members is encouraged through service, socials, special events and family-oriented activities

THE FIRST STEPS

OUR LADY OF THE HAMPTONS PRE-SCHOOL

at St. Rosalie's Parish Center

A full (or half) day program of Religion, pre-reading, math and science is combined with social skill development, dramatic play, arts and crafts. Classes are taught by licensed professional teachers who stress preparation for the elementary curriculum to follow. An outdoor playground is used daily. Field trips enhance learning.

THE PRIMARY COMMUNITY

Grades K-1-2)

Beginning with the Kindergarten class, the primary (first floor) community takes full advantage of "big school" resources: the technology lab, library, art, Spanish, gym, music and dance rooms. The New York State curriculum is followed by fully certified teachers.

Lunchroom is introduced, along with full use of the new playground area.

INTERMEDIATE COMMUNITY

Grades 3-4-5

Moving "up" to the second floor gives intermediate students more mobility as they change classes for split groups in Math, Science and Spanish.

The curriculum is enhanced by technology. Students are encouraged to participate fully in after-school and extra-curricular activities, including competitive athletics and parish service opportunities.

OLH PREP COMMUNITY

Grades 6-7-8

The academic rigor of the Prep features preparation for Regents curriculum in Mathematics and Living Environment, intensive Reading and language skills. Preparation for entrance into high schools is supported.

Leadership opportunities abound, along with competitive athletics in Cross Country, Volleyball, Basketball, Baseball and Cheerleading.

OUR LADY OF THE HAMPTONS

Recognized as a Blue Ribbon School of Excellence

Accredited by the Middle States Association –Commission on Elementary Education 2002, 2012, 2023

Cited for outstanding development of Fine Arts

What makes OLH different?

Three hundred students representing eleven parishes
