# NOW

more than ever

VOLUME 18 NUMBER 7

MAY 2021

## MARY WAS CROWNED...CROWNED...CROWNED

Mary, the Mother of Jesus, was crowned THREE times on May 14...once by each separate school community. In an effort to maintain some social distance, the Prep community held a prayer service in the rear playground area around Our Lady of Grace, while the Intermediate group crowned Our Lady of the Smile on the second floor. The Primary community prayed and crowned Our Lady of Poland outside the church. Each student was given a new rosary and was able to use it for the recitation of the rosary at the service.

# A SPECIAL WEEK FOR GRADE 2

The second grade class celebrated a major milestone in their lives when they received First Holy Communion within their parish communities over several

week-ends in May.

They then gathered as a total class for their combined liturgy at Our Lady of Poland Church on May 14. Father Mike was the celebrant of the mass that saw every one of the students read petitions, bear gifts of serve as lectors.

The first grade parents prepared a special brunch for the communicants who enjoyed each others' company at tables set up in the form of a cross.

Let us pray for these very special children!

# PREP STUDENTS EARN HONORS

Twenty-eight OLH Prep students were inducted into the Maria Regina Chapter of the National Junior Honor Society. Recognized for their scholarship, leadership, service, character and citizenship were:

## CLASS OF 2021

## SENIORS ENJOY A SPRING LUNCH

As plans were made for the upcoming May celebrations, Prep 8 was busy learning how to prepare food assembly-line style at a unique virtual Senior Citizen luncheon. By the end of the day, they had delivered 175 boxed gourmet lunches to the residents of St. Joseph's Convent and Bishop Ryan Village as well as several private residences in the Hamptons...and also served curbside for those able to pick up at school.

A pre-recorded entertainment was also made available to the "guests".

## EVERYONE HAD A HAND IN GREETING MAY

When the year started, there was doubt that so many of the activities for which OLH is known might need to be "put on hold". NOT SO!

With The exception of the wide athletics programs, just about everything has been achieved this year.

This May, the fourth graders led us at the Mass on Ascension Thursday, while the fifth graders presented an original geographical assembly.

Primary students were able to present their Science Fair projects with some help from parents who served as their videographers.

Our ability to use livestream techniques and technology as made so much possible!
