PERSONAL INTERVIEWS are required of prospective families with both the pastor and the principal prior to March 1 for consideration for September enrollment. Appointments for late registration are also possible if space is available.

Registration for the school year will take place during the first week in March. On the day of registration, we ask that you please bring with you:

- the required verification of your pastor
- a copy of the child's birth certificate
- a copy of the child's baptismal certificate
- a copy of the child's immunization record
- a check, payable to OUR LADY OF THE HAMPTONS SCHOOL in the amount of \$250 TWO HUNDRED-FIFTY DOLLARS. This is a non-refundable one-time fee and is not applicable toward tuition.
- For Grades, 1-8 a copy of the student's latest report card is required.

Early Childhood Education at OLH

Pre-school for ages three and four is held at
St. Rosalie's Parish Center in Hampton Bays.

Four year olds have the option of 3 or 5 full day instruction each week.
Class population is limited in size, and two teachers instruct each group.

Kindergartners begin their studies at the OLH building in Southampton. Early childhood parents are encouraged to participate fully in all activities of the greater OLH community. In a curriculum based on readiness, social interaction, basic communication skills and physical development, early childhood classes prepare children for the full curriculum at OLH.

First- Eighth Grade classrooms are in the main OLH building in Southampton. All parents are encouraged to participate fully in all activities of the greater OLH community, including volunteer work within the school, and helping to maintain a community based facility.

Our Mission -

- **Conscious** of the uniqueness and importance of each individual child to God, to self and to society
 - **Convinced** of the need of our Church and our world to develop mature, educated Christians
 - **Cognizant** of the awesome privilege and responsibility inherent in
challenging and guiding the young people entrusted to our care
 - **Committed** to the belief that an individual's potential is his or her greatest asset
- We, the administration and faculty of Our Lady of the Hamptons Regional Catholic School, fully dedicate ourselves to utilize our personal and professional gifts and talents for the total education of our students so that they may become aware of their place in the future as Christians, and citizens of this country and the Kingdom of God.

Our Goals

Spiritual to provide students with a Catholic religious heritage by

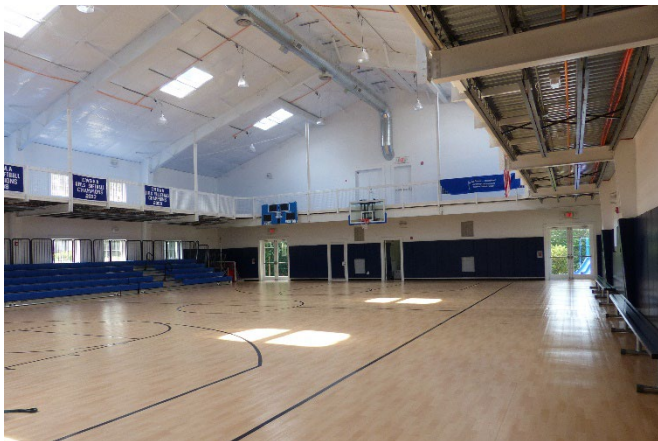

- preparing them for full participation in the sacramental and liturgical life of the Church.
- teaching a knowledge of Catholic faith and Gospel values through a developmental presentation of doctrine and experience in prayer and liturgy.
- endeavoring to bring students to an understanding of their own value as persons so that they may be free to love, value and respect themselves and others and to come to know and to love the God who has first loved them.

Academic to motivate students to learn in for the varying degrees of capability by:

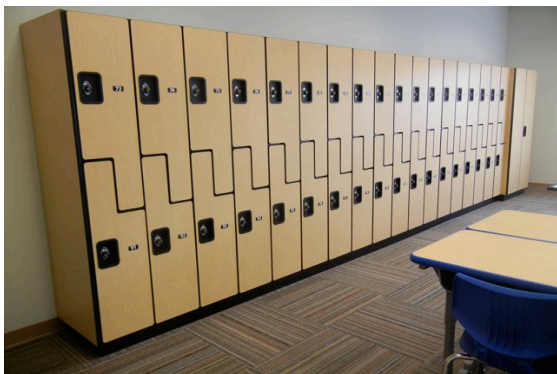

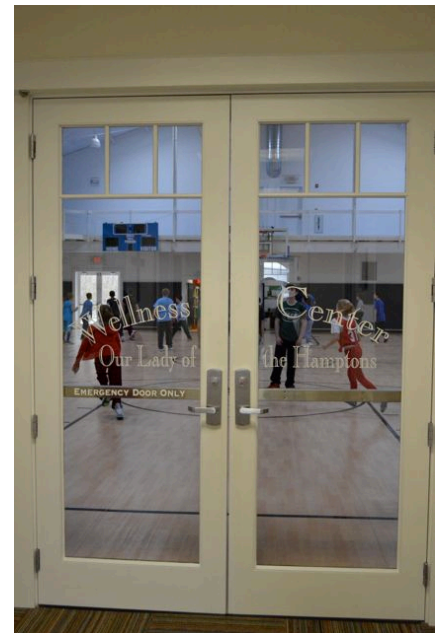

- providing a curriculum based on New York State Curriculum Guide and the Rockville Centre Education Department Curriculum Guides.
- emphasizing communication skills that are relevant to the student's needs and interests.
- assuring measurement of success for each student by assisting to develop individual fullpotential
- encouraging critical thinking skills, independent thinking and responsible decision making.

The original school building was erected as Our Lady of Poland in 1960. The second floor, McGann Hall, was opened in January 1999. The rooms pictured here were made possible through the 1998 and 2014 campaigns.

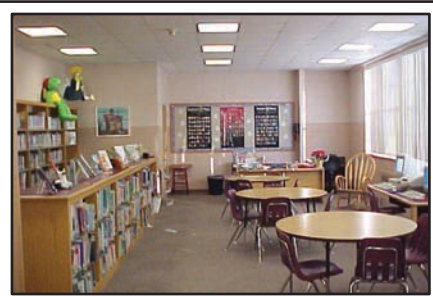

The latest new construction was complete in 2014, with the building of a full gymnasium with running track, three classrooms, interior student lockers, a Prep Science Laboratory, Preparation and Presentation rooms.

An outdoor playground area will be completed by late spring 2019.

Prep Science Lab

Social

to integrate academic skills and social awareness by:

- providing learning and cultural experiences both in curriculum and community
- fostering a sense of reverence for all of God's creation, inculcating respect for different races, cultures, religions and ways of thinking.
- stressing the importance of self-discipline and respect for all members of our school community, faculty, staff, parents and each other.

The school community is extended into the greater community of the world and the church through interaction with the Propagation of the Faith, Toys for Tots, St. Joseph's Convent, Young Vincentians, Bridgehampton Nutrition Center, Hamptons Care Center, Bake for Good, St. Rosalie's Food Pantry, Sarah's Closet, Birthright, Maureen's Haven, Human Resources of the Hamptons, Bishop Ryan Village and other local charities.

Our Lady of the Hamptons is closely involved in the life of its parishes. Families are urged to take full advantage of the programs and liturgies of these parishes. The children participate specially as altar servers, lectors and choir members and work to perform service within the parish family.

The sacrament of Reconciliation is celebrated in school during the year as well as monthly class-prepared liturgies, rituals, prayer services and outreach programs.

Second graders receive First Eucharist within the parish community, as do the upper grade students who are confirmed.

**We are pleased to welcome our students from*

Our Lady of Poland, St. Rosalie, Basilica of the Sacred Hearts of Jesus and Mary,
 St. Andrew's, Queen of Most Holy Rosary, St. Therese of Lisieux,
 Our Lady of the Isle, Most Holy Trinity
