

WEEKLY NOTE HOME NOVEMBER 30

The first Sunday of Advent is here. Let us try to do all that we can to prepare for the true meaning of Christmas. Check the website for Advent prayers that you can use with your families. There will be several opportunities to participate with your children.

While the Family Advent Service will be pre-recorded and sent to you on December 9, you are invited to join us for the Blessing and Lighting of the Family Advent Tree on

FRIDAY, DECEMBER 4 AT 5PM

You may gather around the tree or stay in your car for this very brief "new tradition". (This will be added to the recording of OLH Advent)

We are very grateful to all who helped in any way to make the Thanksgiving Feast such a great success.....chairpersons Bonnie Spellman, Sheri David and Hilary McDonald....the parents who donated turkeys, set up, prepared the trays, made desserts, served, cleaned up, delivered the leftovers to the food pantries. So many people gave their all to giving our children a special day.

We also ask that you keep in mind the restaurants and local vendors who cooked the turkeys and provided other service: Dutch Petal Florals, Schiavonis Market, Shippy's Pumpernickel, Bobby Vans,, Edgewater, Seasons of Southampton, Schmidts Market, Mr. Rodriguez, Mr. McGhee and Mr. Garcia, Hampton Bays Fire Department, the Chicken Spot.....We are so grateful!!!!

Thanks to all who participated in the OLH TURKEY TROT! So many families and teams took part in this simple fund-raiser for our

technology program.

Thanks to MOLLIE DUGGAL who chaired the first-ever event!

A FEW REMINDERS

The first trimester is now history! We have done so well navigating these difficult times. Now we do ask that you please help by being aware of some issues requiring attention:

- Drop-off each morning is supposed to be done at MAPLE STREET....not by driving in, parking and walking the child to the door.
- Pick-up from walkers and riders is at 3PM in the rear...NOT 2:30 at the front door
- ALL parents are asked to be patient and considerate while waiting for walkers and riders...and NOT walk to the curb before the buses have left the yard.
- Traffic in the parking lot is becoming a problem at times. (Do we need to hire security people?) There are spaces indicated.....and spots marked "no parking"...and "handicapped"
- There is a strict NO SMOKING POLICY on school grounds EVERYWHERE. We ask that you PLEASE NOT SMOKE while walking in yard..or even while sitting in your car waiting for your child.
- The only entrance to the school for anyone other than teachers and students is at the front door on North Main Street. (Please do not plead for entrance at the rear doors.)
- Children need to bring books home at end of day.....and NOT be brought back after hours to retrieve items...It may seem harsh, but it is part of good training.
