This can be one of the very best PARENT EVENTS of the

Obviously, our traditional THAMKSGIVING DINNER will require some serious re-thinking. This is a tradition we do not want to lose...but are willing to modify to suit the demands of distancing, lack of large assemblies.

SO.....do we have a few people willing to meet with Skathy to come up with an alternate?....How about an OUTDOOR dinner (The pilgrims and Indians ate outdoors).....

There must be a way to be creative and still have a special event for our children....
