DADS AND DAUGHTERS DANCED ALL NIGHT

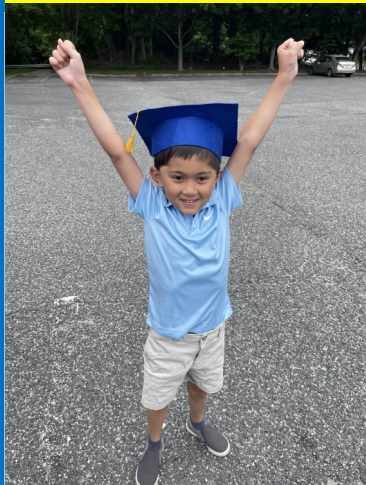

After a long and very busy school year, there was one special event that proved to be very important to a group of OLH dads and their daughters. Held on the very last Friday of the year, the Spring Soiree (aka: the daddy-Daughter Dance) gave girls as young as Pre-K and old as soon-to-be graduates a chance to spend time together and take to the dance floor.

The moms who coordinated the event provided games, prizes and lots of chances for photos, flowers and real bonding time.

GRADUATES COME IN ALL SIZES

Beginning with the Prep 8 graduation on June 13, it was time for the Pre-school at St. Rosalie's, and then the Kindergarten class to impress parents and friends with all that they have learned during the past year.

Twenty-six four year olds sang, prayed and recited before they received their diplomas.

The Kindergarten class followed the example of older classes and presented a full play complete with recitation of fairy tales with special social morals and life lessons.

Diplomas were presented after the play to a very energetic group who were totally at ease on the stage and never missed a cue.
