

Despite the challenges presented by the pandemic of 2020, the community of Our Lady of the Hamptons School was able to offer one hundred-eighty days of in-person learning!

Most of the activities normally scheduled were able to take place.....most in creative ways utilizing live-stream, movie format, virtual contact or...simply....re-imagined formats!

It was a very good year!
2020-21

WHAT A CHALLENGING YEAR WE HAVE HAD!

Re-capping the 2020-21 SCHOOL YEAR
