CoC Threshold Requirements

(Delete the X in the box next to any requirements you do not wish to include.)

- X Coordinated Entry Participation
- X Housing First and/or Low Barrier Implementation
- X Documented, secured minimum match
- X Project has reasonable costs per permanent housing exit, as defined locally
- X Project is financially feasible
- X Applicant is active CoC participant
- X Application is complete and data are consistent
- X Data quality at or above 90%
- X Bed/unit utilization rate at or above 90%
- X Acceptable organizational audit/financial review

(The first five requirements are recommended to included in the rating process either as Thresh Requirements or as Rating Factors)

CUSTOMIZE RENEWAL/EXPANSION PROJECT RATING TOOL

Delete the X in the box besides any rating factor below that you do not wish to include. If desired, adjust the factor/goal and point value for each measure. You can add additional locally-defined criteria below. See the Data Source Chart for information about where to obtain data to use in scoring.
