## THE SWEET GRANDMOTHER

A sweet grandmother telephoned St. Michael's Hospital. She timidly asked "Is it possible to speak to someone who can tell me how a patient is doing?"

OPERATOR - I'll be glad to help dear, What's the name and room number of the patient?

GRANDMOTHER - Gertrude Collins Room 369

OPERATOR - Let me put you on hold while I check with the nurse's station for that room.

After a few minutes the operator returned to the phone

OPERATOR - I have good news - Her nurse just told me that Gertrude is doing well. Her blood pressure is fine, her blood test just came back normal and her Physician Dr. Mellish has scheduled her to be discharged tomorrow.

GRANDMOTHER - Thank you. That's wonderful. I was so worried. God bless you for the good news.

OPERATOR - You're more than welcome. Is Gertrude your daughter?

GRANDMOTHER - No, I'm Gertrude Collins in Room 369 and it's hard to get any answers until now. Thanks again.

## TRYING YOUR BEST

Jerry was sitting on the edge of the bed, observing his wife, looking at herself in the mirror. Since her birthday was not far off he asked what she'd like to have for her Birthday.

"I'd like to be six again", she replied, still looking in the mirror.

On the morning of her Birthday, he arose early, made her a nice big bowl of Fruit Loops, and then took her to Canada's Wonderland. What a day! He put her on every ride in the park; the Behemoth, Leviathan, and finishing up with a go on the SlingShot. Five hours later they staggered out of the theme park. Her head was reeling and her stomach felt upside down. He then took her to a McDonald's where he ordered her a Happy Meal with extra fries and a chocolate shake.

Then it was off to a movie, popcorn, a bottle of pop, and her favorite candy, M&M's. What a fabulous adventure! Finally she wobbled home with her husband and collapsed into bed exhausted. He leaned over his wife with a big smile and lovingly asked, "Well Dear, what was it like being six again?"

Her eyes slowly opened and her expression suddenly changed. "Jerry!" she exclaimed, "I meant my dress size!"

Every one has their own point of view.

## INTERPRETING DREAMS

After she woke up, a woman told her husband, "I just dreamed that you gave me a pearl necklace for Valentine's day. What do you think it means?"

"You'll know tonight," he said.

That evening, the man came home with a small package and gave it to his wife. Delighted, she opened it - to find a book entitled "The meaning of dreams."

## BROTHERS CAN BE SO KIND

Eddie is learning how to play the violin. "I'm good, don't you think?" he asks his big brother Jim. "You should be on the radio" was Jim's reply. "Wow! You really think I'm that good!" exclaims Eddie. "No, but at least if you were on the radio I could switch you off."

## MISTAKEN PATIENT

A man walks into a pharmacy and asks an assistant if she can give him something for the hiccups.

The Assistant promptly reaches out and slaps the man's face.

"What did you do that for?" the man asks.

"Well, you don't have the hiccups anymore do you?" says the assistant.

The man replies "No, but my wife does, and she's outside in the car."
