COMMUNITY ADVOCATE ANNOUNCES RUN FOR STAFFORD COUNTY SCHOOL BOARD AQUIA DISTRICT SEAT

Maya Guy, a Stafford County parent and community advocate, has announced her candidacy for the Stafford County School Board-Aquia District.

“I have been an active member of the SCPS community for 14 years. I have seen how the school system works and I believe that it is time for change. The Pandemic has given us an opportunity to reevaluate how we service our community. I am committed to ensuring that we provide an exceptional educational experience for our students, keep our amazing teachers in Stafford and reestablish an honest and trusting relationship with our Board of Supervisors. Stafford has an incredible opportunity to be a leader among our local and state education systems but we must work together toward that common goal.”

Maya has volunteered as the Education Chairperson for the Stafford NAACP, as a Representative for the Superintendent’s Equity, Diversity, and Opportunity Advisory Committee, member of the Moncure Elementary and Shirley Heim Middle Parent Teacher Organizations, and the Brooke Point High School Parent Teacher Student Organization.

Maya will officially launch her campaign on Sunday, June 13, 2021 at 1 pm with a meet-and-greet at the Aquia Harbour Country Club located at 204 Bow Cove, Stafford, VA 22554. Aquia District voters are welcome to attend and light refreshments will be served. “I am very excited to meet Aquia voters! I want to hear what they like about Stafford schools and where they see opportunities for improvement.” This will be an outdoor event but we are asking unvaccinated supporters to wear a mask in order to protect our vulnerable supporters.
