## **• New to FastCAT? Or just need a few reminders? Read on!**

- Plan for a fun, safe day!
- Please plan to bring your own portable shade, chairs, crates, and water; parking is near the test area, Lavatories are a short walk away plan for a variety of conditions, including wind.
- The test area is well away from the dog show, but for the safety of your dog/s and other participants, your dog should have a reliable recall.
- Please listen to the directions given by our experienced Lead Inspectors as they are responsible for ensuring compliance with AKC regulations in the field.
- Bring two sturdy leashes (no show leads or retractable leads) for your dog: one to hold your dog and one to catch your dog. Please arrange for someone to either release or catch your dog, since you cannot be in two different places 100 yards apart. Be sure your dog can be caught at the end of the course (which is enclosed, of course, but is temporary fencing).
- Exhibitors should be familiar with all FastCAT rules prior to participating. This AKC publication provides all the information you will need: <https://images.akc.org/pdf/rulebooks/AKC1812-REFCAT.pdf>. A copy will also be available at the check-in table.
- Toys and treats may be in the catch area out of sight of the dog until after the dog crosses the timing line.

## **Withdrawal of entries:**

- No entry fees may be refunded if the test cannot be held or completed for any reason beyond the control of the host club.
- No entry fee will be refunded if a dog is absent, disqualified, excused, or banned by action of the Field Test Committee, except for dogs not passing initial inspection as provided for in this premium list.
- Any entries pulled in writing prior to February 18, 2026 (mail/email) will be refunded, less the \$5 processing fee. If an entered bitch comes in season, a written request for withdrawal with veterinary documentation will be honored on the day of the entered test. Another dog may be substituted for a bitch in season.

## **What exactly is FastCAT?**

If you've read this far, you probably know, but ...

- FastCAT is a timed, straight 100-yard dash for dogs.
- Dogs chase a lure to the finish line where there is a catch pen.
- They earn points based on the time taken to get to the end, adjusted for the size of the dog (height at the withers).
- AKC titles are earned at specific point levels and appears after the dog's name:
  - BCAT = 150 points
  - DCAT = 500 points
  - FCAT = 1,000 points – and it goes up from there!
