WHAT WE ARE LOOKING FOR IN OUR *PEOPLE*...

- Our mobile service technicians play an integral role in our company to ensure the complete satisfaction of our customers...you are the face of our company! The position requires extreme professionalism when performing work in the field. Our *PEOPLE* must be self-starters, conscientious time managers, and perform in their roles rather independently. We also seek *PEOPLE* who are willing to learn and participate in industry specific training that will ultimately help us do better work.
- A positive "CAN DO" mentality.
- Somewhat familiar with the Fire Service.
- **Strong interaction skills with a mix of humor.**
- Flexibility at times to remain open to change and/or improvements within the company.
- Open communication style with honesty and empathy.
- Above all else...we seek *PEOPLE* that show true consideration for the equipment being serviced and the *PEOPLE* associated with such life-saving equipment.

WHAT WE WILL ASK OF OUR *PEOPLE*...

- Perform preventive maintenance on Fire/EMS apparatus.
- Perform light diagnostic and repair work on Fire/EMS apparatus when needed.
- Pay attention to detail in your work and documentation.
- Practice personal safety and accountability always.
- Maintain a working knowledge of current industry best practices.
- Safely operate and maintain company property in your care.
- Travel within RI, MA and CT and working hard until the work is done.
- Have fun...it is a very unique industry!

WHAT WE FIND HELPFUL TO HAVE IN YOUR BACKGROUND...

- Diesel technician education or work experience.
- Preventive maintenance experience on heavy trucks and equipment.
- Basic understanding of software programs to operate in technician software portal.
- ASE heavy truck certifications if possible.
- Valid driver's license with DOT medical card but Class A or B CDL is preferred.
