

Prayers for the Defeating of Evil

Anarchy Prayer

In the Name of God, **I AM THAT I AM**, Lord Jesus Christ, Archangel Michael, All Saints in Heaven, I pray for your intercession and for the binding of all forces of evil attacking America through:

Anarchy – Political Correctness, the Woke Culture, Cancel Culture, Antifa, Black Lives Matter, Social Justice Warriors, activists paid by the far-left to promote these causes through organized demonstrations on university campuses, PR campaigns on social media and in the streets of America.

Lord Jesus Christ, let thy right hand descend in Judgment.

Archangel Michael, wield your flaming sword, let the Lightning of the LORD descend.

Archangel Michael, protect and seal me and my family.

O God, not my will, but thine be done.

Amen.
