

Prayers for the Defeating of Evil

Chinese and Mexican Organized Crime Prayer

In the Name of God, I AM THAT I AM, Lord Jesus Christ, Archangel Michael, All Saints in Heaven, I pray for your intercession and for the binding of all forces of evil attacking America through:

Chinese and Mexican Organized Crime

- The Fentanyl and opioid epidemic in America
- The chemicals for these drugs are manufactured in China and shipped to Mexico
- Drugs created in Mexico and transported to America by Mexican drug cartels
- All governmental, military and political corruption profiting from these operations

Lord Jesus Christ, let thy right hand descend in Judgment.

Archangel Michael, wield your flaming sword, let the Lightning of the LORD descend.

Archangel Michael, protect and seal me and my family.

O God, not my will, but thine be done.

Amen.
