

Prayers for the Defeating of Evil
The Chinese Wuhan Coronavirus Prayer

In the Name of God, I AM THAT I AM, Lord Jesus Christ, Archangel Michael, All Saints in Heaven, I pray for your intercession and for the binding of all forces of evil attacking America through:

The Chinese Wuhan Coronavirus SARS-CoV-2 / COVID-19

- The deliberate act of war upon America by the Communist Chinese Party (CCP)
- Killing millions of Americans, attacking our economy, our health care system, sabotaging our children's mental health and education.

Lord Jesus Christ, let thy right hand descend in Judgment.

Archangel Michael, wield your flaming sword, let the Lightning of the LORD descend.

Archangel Michael, protect and seal me and my family.

O God, not my will, but thine be done.

Amen.
