

Prayers for the Defeating of Evil

The Internet and Social Media Platforms Prayer

In the Name of God, I AM THAT I AM, Lord Jesus Christ, Archangel Michael, All Saints in Heaven, I pray for your intercession and for the binding of all forces of evil attacking America through:

The Internet and social media platforms

- Platforms that manipulate, program and create addictions in our children
- TikTok, Snapchat, Facebook, Instagram and YouTube

Lord Jesus Christ, let thy right hand descend in Judgment.

Archangel Michael, wield your flaming sword, let the Lightning of the LORD descend.

Archangel Michael, protect and seal me and my family.

O God, not my will, but thine be done.

Amen.
