

Prayers for the Defeating of Evil

Misuse of God's Technology Prayer

In the Name of God, I AM THAT I AM, Lord Jesus Christ, Archangel Michael, All Saints in Heaven, I pray for your intercession and for the binding of all forces of evil attacking America through:

The Misuse of God's Technology denying or censoring the Truth on the Internet and in the Media

- Google, Yahoo, Meta/Facebook, X/Twitter, Amazon
- The persecution and intimidation of companies and individuals that refuse to parrot the party line

Lord Jesus Christ, let thy right hand descend in Judgment.

Archangel Michael, wield your flaming sword, let the Lightning of the LORD descend.

Archangel Michael, protect and seal me and my family.

O God, not my will, but thine be done.

Amen.
