

**Prayers for the Defeating of Evil**  
**Our Current Popular Culture Prayer**

In the Name of God, I AM THAT I AM, Lord Jesus Christ, Archangel Michael, All Saints in Heaven, I pray for your intercession and for the binding of all forces of evil attacking America through:

**Our Current Popular Culture** (the culture of death) -- sold by Hollywood and the entire motion picture, television, music, publishing, advertising and marketing industries to destroy our children, our families and the values of our Western civilization.

Lord Jesus Christ, let thy right hand descend in Judgment.

Archangel Michael, wield your flaming sword, let the Lightning of the LORD descend.

Archangel Michael, protect and seal me and my family.

O God, not my will, but thine be done.

Amen.
