

Prayers for the Defeating of Evil

U.S. Open Border and Immigration Policy Prayer

In the Name of God, I AM THAT I AM, Lord Jesus Christ, Archangel Michael, All Saints in Heaven, I pray for your intercession and for the binding of all forces of evil attacking America through:

The U.S. Open Border and Immigration Policy

- Dept. of Homeland Security (DHS) ignoring current immigration laws
- DHS Temporary Protected Status and parole programs
- Global migration plans of the U.N. and NGOs (Non-Governmental Organizations)
- Protect and seal America's borders and all ports of entry

Lord Jesus Christ, let thy right hand descend in Judgment.

Archangel Michael, wield your flaming sword, let the Lightning of the LORD descend.

Archangel Michael, protect and seal me and my family.

O God, not my will, but thine be done.

Amen.
