Women's safety education · Survivor referrals · Women-only 5K & Mile

Short overview · Full packet available on request

Redeemer's Run was founded by Summer St Clair Gipson after she was assaulted and sexually abused on her morning run in Peoria (Jan 28, 2023). She fought free; the suspect was arrested. Today we equip women with safety awareness and self-defense tools, make warm referrals to counseling and victim services, and host a women-only race that funds and amplifies that mission.

First race (Jan 24, 2026): 240 women runners · 500+ attendees. Next race: Jan 30, 2027 · Rio Vista Park · 1 mile 9AM · 5K 9:30AM. Year-round we do campus/XC safety talks and have distributed 500 self-defense rings.
