

## Joondalup Dolphins – Club song

We are the Dolphins,  
The Black Green and Gold.  
From Yanchep to Freo,  
The young and the old!  
Sing it loud and put up your fins,  
We are the Mighty, Mighty Dolphins!  
Born ready to win to make the club proud,  
We take on the battle,  
And light up the crowd.  
Sing it loud and put up your fins,  
We are the Mighty, Mighty Dolphins!  
**SING IT LOUD AND PUT UP YOUR FINS,  
WE ARE THE MIGHTY, MIGHTY DOLPHINS!**
