

Hirer Safety Checklist

- You must ensure a responsible adult (16+) supervises the inflatable at all times.
- You must follow maximum user numbers and size limits at all times.
- You must ensure all users remove shoes, sharp objects, jewellery, food and drinks before entering.
- You must not allow climbing, hanging, or sitting on the inflatable walls.
- You must not allow face paint, silly string, smoking, fires, barbecues, or pets on or near the inflatable.
- You must shut down the inflatable immediately if: – wind exceeds 25km/h – it rains – any fault or damage is noticed
- You must follow emergency procedures (safe evacuation, blower shut-off, call emergency services if needed).
- You must accept full responsibility for the safety of all users and for any damage or loss during the hire period.
