Fun Italian Facts

Italy has more than 7,600km (4,722miles) of coast line as the peninsula is located for a large part in the Mediterranean Sea. Italy has two bigger islands Sicily and Sardegna and many smaller ones such as Capri, Elba and Ischia. In the North, the mountain range of the Alps separates Italy from the other European countries France, Switzerland, Austria and Slovenia.

Most young people in Italy learn to speak English, French or German as well in school

Did you know that Italians also invented the piano and the thermometer?
