

Court Connect

Court Connect is an innovative, new program here at the Superior Court of Arizona in Maricopa County. With the Court Connect program, participants can **appear for hearings online** rather than coming to the courthouse in person.

If a hearing is scheduled as an online hearing, attorneys and parties will be notified and will receive an email with an Online Hearing Notice that includes the details to join the hearing online at the scheduled time.

To participate in a Court Connect hearing online, a computer or smart device (phone or tablet) with a web camera, speakers and microphone are needed. If these are not available, participants may attend the hearing by teleconference using the phone number provided in the Online Hearing Notice.

To prepare for an online hearing, **participants should review the brief Court Connect [Introduction video](#) and the printable [Participant Guide](#).**

IT IS RECOGNIZED THAT THESE GUIDELINES WILL NOT ANSWER EVERY
PROBLEM/QUESTION AND IS NOT A SUBSTITUTE FOR LEGAL ADVICE
However, if they help in time of CRISIS and stress, then they are useful and are worthy of your attention.
