

Parent & Child English Courses Summer '26

Bring the whole family & live the London English Language Experience this summer!

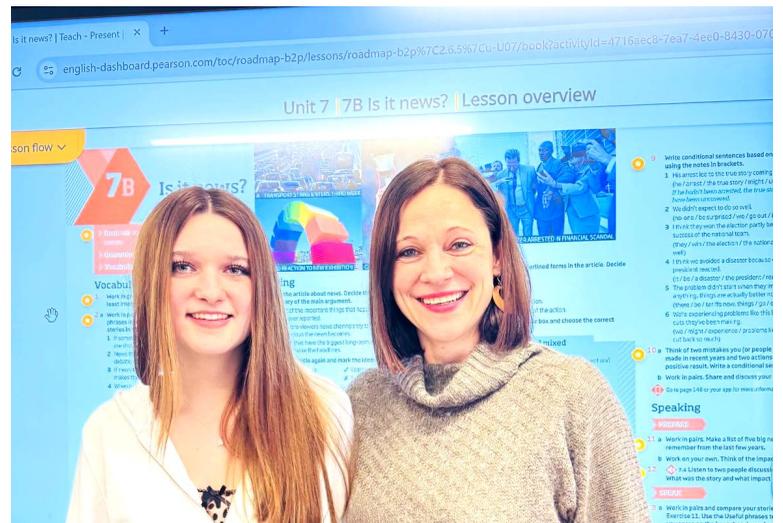

From Monday 22nd June until Friday 28th August 2026

International Junior Groups

Students aged 11-15 years, from all over the world, study English together with our qualified, experienced, native-speaking tutors. Lessons are fun, active and highly *interactive* to keep them engaged and learning. Our primary aim is to build their confidence in speaking and understanding and to create an unforgettable, London Language Experience.

Leave your children to us for the afternoons! Students have the option of guided afternoon activities visiting the best attractions London has to offer: London Eye, Sea-Life, Madam Tussauds...

Dates: From Monday 22nd June until Friday 28th August 2026

International Adult Classes for parents

Build your fluency, your vocabulary and your confidence in English on our morning General English course. From levels CEFR A1 to C1, adult students from every country fit easily into our multi-level classes. These run from 9.15am to 12pm and 12.30pm to 3.15pm Monday to Friday.

In the afternoon, why not enjoy London with your partner while your teenage son enjoys Madam Tussauds with the other students and our guide? Alternatively, continue studying in the afternoon on our Super Intensive course with a total of 25 guided learning hours per week.

Teachers are native-speaking, CELTA- or equivalent, qualified and experienced. Lessons are fun and communicative.

Accommodation

For parent & child courses, we recommend booking one of our partner bed & breakfast hotel in Kings Cross or family apartments in Islington. Ask for details!

Alternatively, we can help book an apartment for around £700 per week.

Build your confidence and fluency in our General English class.
