RE: Letter of Reference

Dear Mr. Mastronardi:

This letter is regarding Stembridge Customs Metals, Inc., located in Fairburn, GA, and the work they have completed for Dekalb County over the past year.

Stembridge Custom Metals Inc. has completed numerous Guardrail projects for Dekalb County over the past year. They are a professional and reliable company. Stembridge Custom Metals latest project was assigned August 25, 2022, and completed August 30, 2022. Stembridge Custom Metals completed the following services:

1. Removed approximately 150' guardrail. Installed 150' of W-beam guardrail with bridge connection and Type-1 end terminal.
2. Removed approximately 100' guardrail. Installed 100' of guardrail. Installed 100' of W-beam with bridge connection and soft stop anchor 12A.

Stembridge Custom Metals as they have always completed every project within the allotted timeframe while providing an excellent quality of work. Their employees are exceedingly skilled, experienced, and professional. Therefore, without hesitation, I would recommend Stembridge Custom Metals Inc., as I am confident in their work, which has consistently been excellent over the past year.

Should you require further assistance, please do not hesitate to contact me at 404-297-2563.

Regards,

Garrett, Bell

RE: Stembridge Reference Letter

Stembridge Custom Metals completed the following projects for Fayette County Road Department within the past 3 years:

- February 2021 – Bernhard Road - Removed and replace damaged guardrail rail. Installed new 12A guardrail system. Total cost \$4,711.00.
- January 2022 – Inman Road – Installed approximately 80' of guardrail with proper end terminal and made repairs to damaged guardrail bridge attachments. Total cost \$6,350.00

Both projects were completed within approved budget amount and the allotted time frame.

Please let me know if I can provide any additional information.

To whom it may concern,

RE: Letter of Recommendation

This letter is to verify that Stembridge Custom Metals, Inc. has delivered quality services for our department since January 2020. During this time, Stembridge has worked at numerous sites requiring guardrail installations and repairs. This work included 3570 Junior High Drive, Dorsett Shoals, Blair's Bridge Rd., and Cedar Mountain Rd. The company provided the County with GDOT required Type 12 head mash and Type 1. Stembridge is well trained, has quality outcomes, and competitive rates. They do an excellent job and are always punctual with an attention to detail.

The County has used the services of other similar companies; however, the County is always satisfied with Stembridge Custom Metals, Inc. The County is happy to recommend the services of Stembridge Custom Metals, Inc.

Kind Regards,

JStephens
