

# Motivation

# Agenda

- What is motivation? What is intrinsic motivation? What is extrinsic motivation?
- Why is motivation important? How do we approach motivation?
- How can we motivate from within the person?
- How can we motivate from within the job?
- How can we motivate from within the management role?

What is motivation? What is  
intrinsic motivation? What is  
extrinsic motivation?

# What is motivation?

**Motivation:** The psychological force that energizes us to pursue our goals

- Needs
- Environment
- Cognition and emotion
- Intentions

# What is motivation?

- Directs our efforts toward goal-relevant behaviors
- Allows us to persist even in the face of obstacles

**Direction**

**Effort**

**Persistence**

# What is intrinsic motivation?

- **Intrinsic motivation:** Internal forces that energize us to pursue our goals
  - Mastery
  - Belongingness
  - Growth
  - Autonomy
  - Meaningfulness
  - Accomplishment

# What is extrinsic motivation?

- **Extrinsic motivation:** External forces that energize us to pursue our goals
  - Money
  - Grades
  - Deadlines
  - Promotions
  - Prizes
  - Bosses

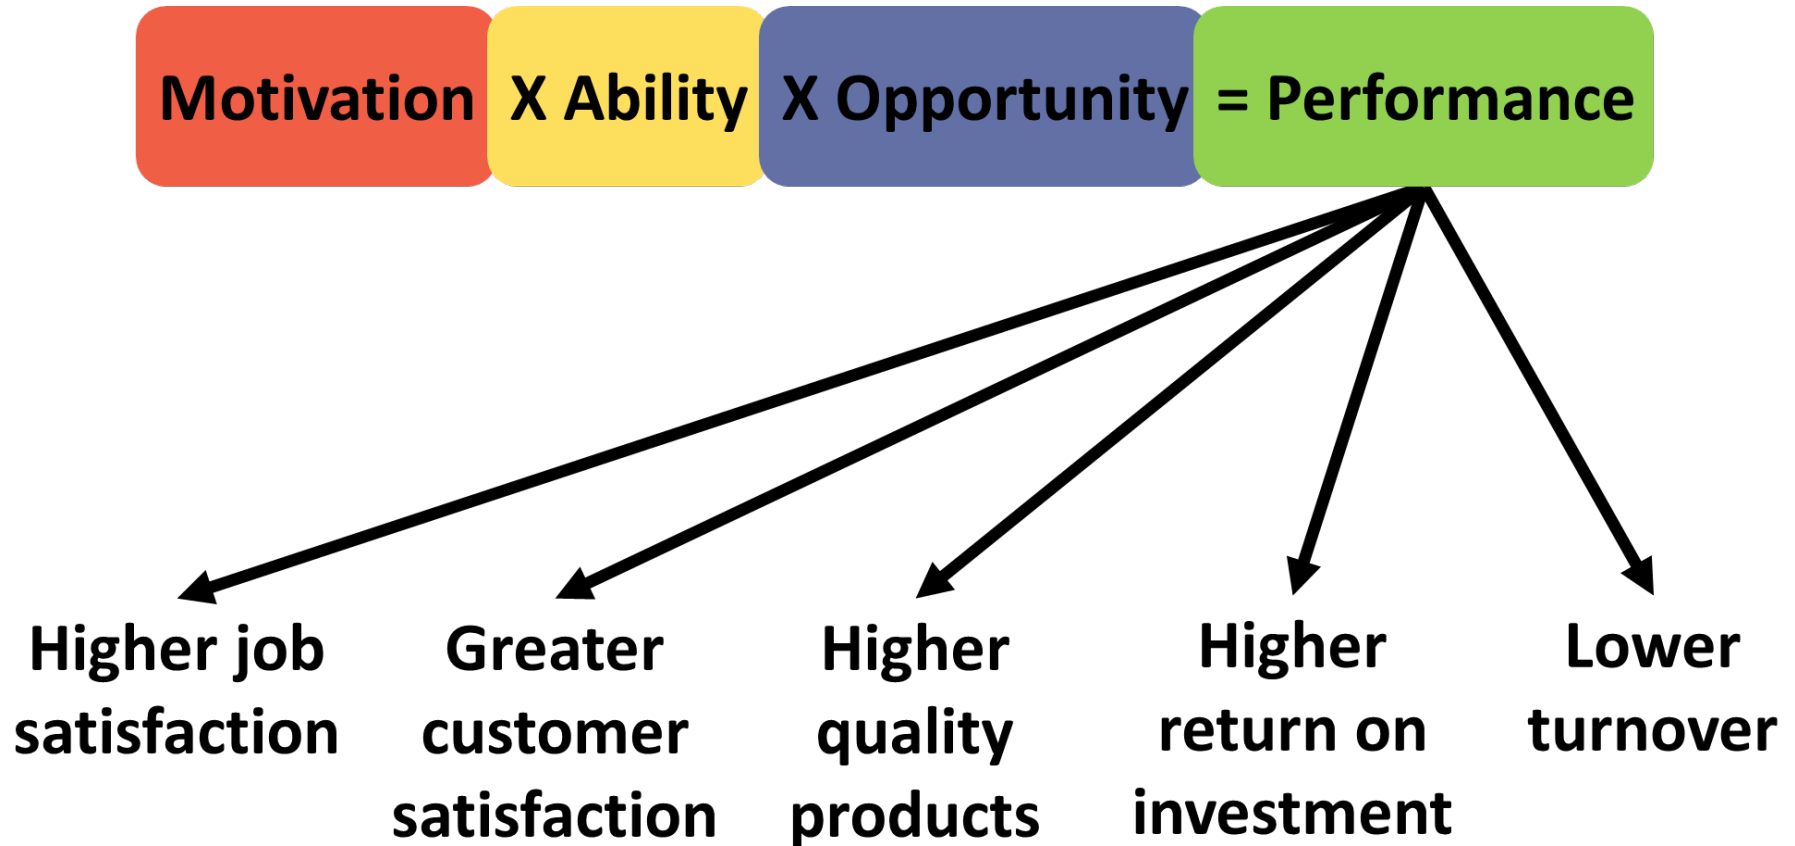

Why is motivation  
important? How do we  
approach motivation?

# Why is motivation important?

# Why is motivation important?

- Impacted by:
  - Job attitudes
    - E.g., satisfaction, commitment, involvement
  - Personality
    - E.g., negatively related to neuroticism; positively related conscientiousness

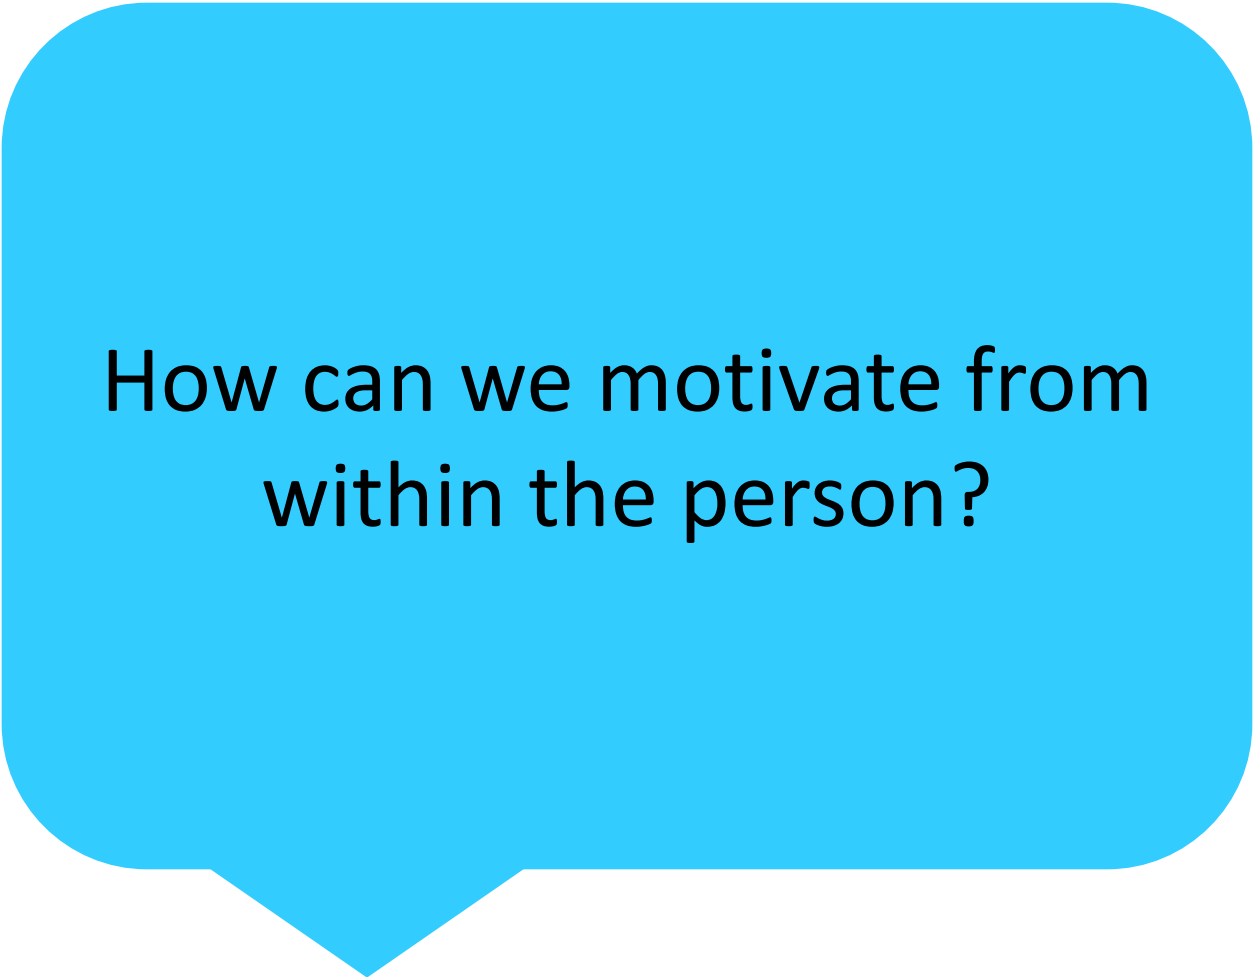

# How do we approach motivation?

**Person**

**Job**

**Manager**

How can we motivate from  
within the person?

# How can we motivate from within the person?

**Needs**

**McClelland's  
Needs  
Theory**

**Self-Perceptions**

**Vroom's  
Expectancy  
Theory**

**Social Perceptions**

**Adams'  
Equity  
Theory**

# McClelland's Needs Theory

Need for achievement = Motivated to reach goals

# McClelland's Needs Theory

Need for affiliation = Motivated to develop relationships

# McClelland's Needs Theory

Need for power = Motivated to influence others

# Vroom's Expectancy Theory

**Expectancy**

**Will my efforts  
lead to the  
desired  
performance?**

**Instrumentality**

**Will my  
performance  
lead to the  
outcomes?**

**Valence**

**How much do I  
value these  
outcomes?**

# Vroom's Expectancy Theory

**Expectancy**

**Will my efforts  
lead to the  
desired  
performance?**

- Build employees' confidence
- Clarify performance expectations
- Discuss short-term and long-term goals

# Vroom's Expectancy Theory

**Instrumentality**

The diagram illustrates the concept of Instrumentality. It features a light blue rectangular box with a thin border containing the word "Instrumentality". Below this box, three small circles lead to a large, irregular, cloud-like shape. Inside this cloud shape is the question "Will my performance lead to the outcomes?".

**Will my  
performance  
lead to the  
outcomes?**

- Clearly link rewards with desired performance

# Vroom's Expectancy Theory

**Valence**

A diagram illustrating the concept of Valence. It features a red rectangular box with the word "Valence" inside. Below the box, a red line leads to a large, red, cloud-like shape containing the text "How much do I value these outcomes?".

**How much do I  
value these  
outcomes?**

- Know what each employee values
- Get creative in choosing outcomes

# Adams' Equity Theory

## Inputs:

Time, effort, education,  
and experience

## Outcomes:

Money, promotions,  
and recognition

# Adams' Equity Theory

Outcomes

Inputs

You

Outcomes

Inputs

Other

## Positive Inequity

## Positive Inequity

Negative Inequity

Negative Inequity

# Adams' Equity Theory

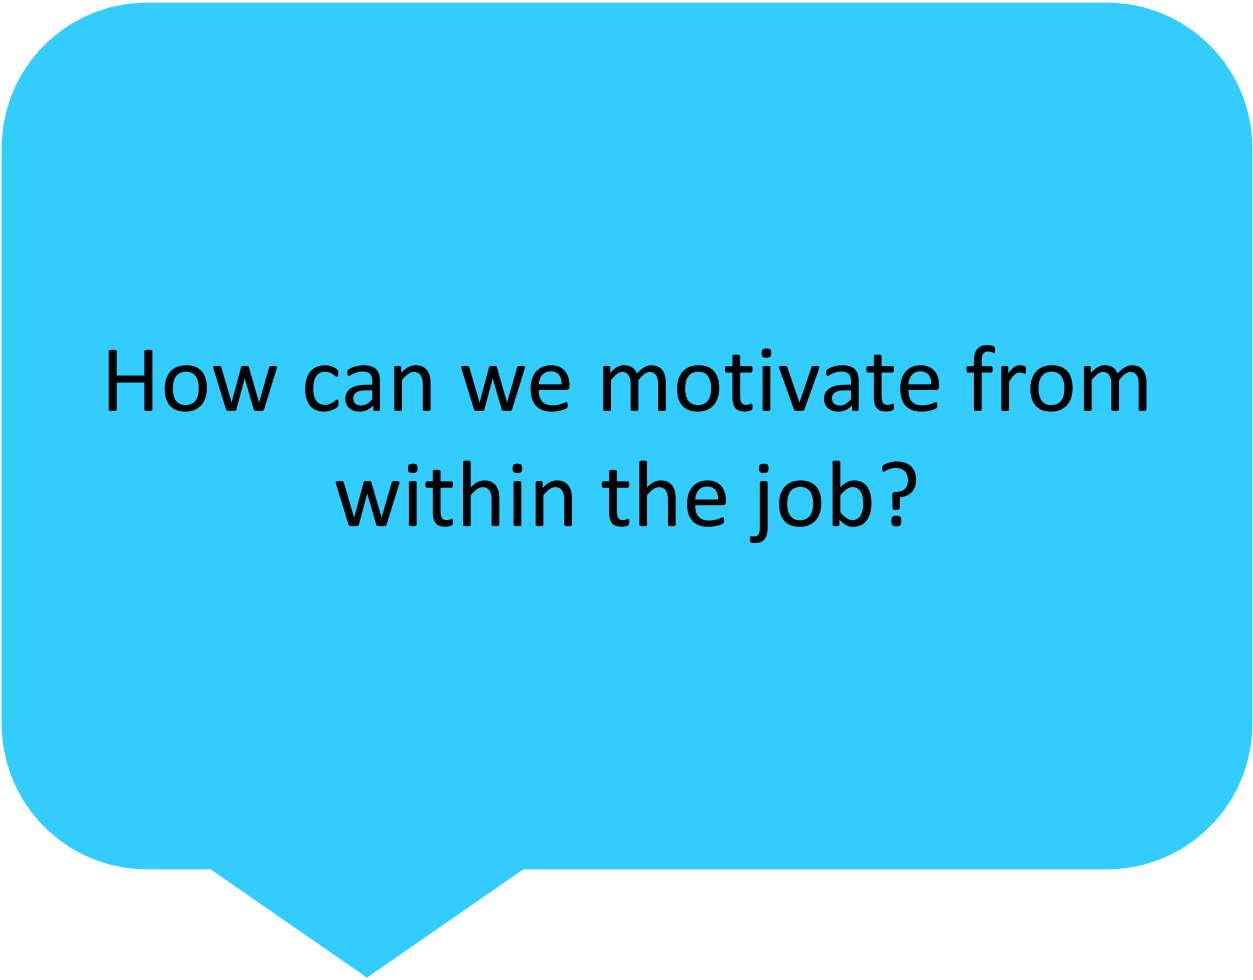

1. Increase outcomes
2. Decrease inputs
3. Decrease the value of inputs
4. Increase the value of other's inputs
5. Change comparison other

# How can we motivate from within the person?

- Treat people as individuals
- Clarify performance expectations
- Link rewards with performance
- Enhance self-efficacy
- Celebrate high performance

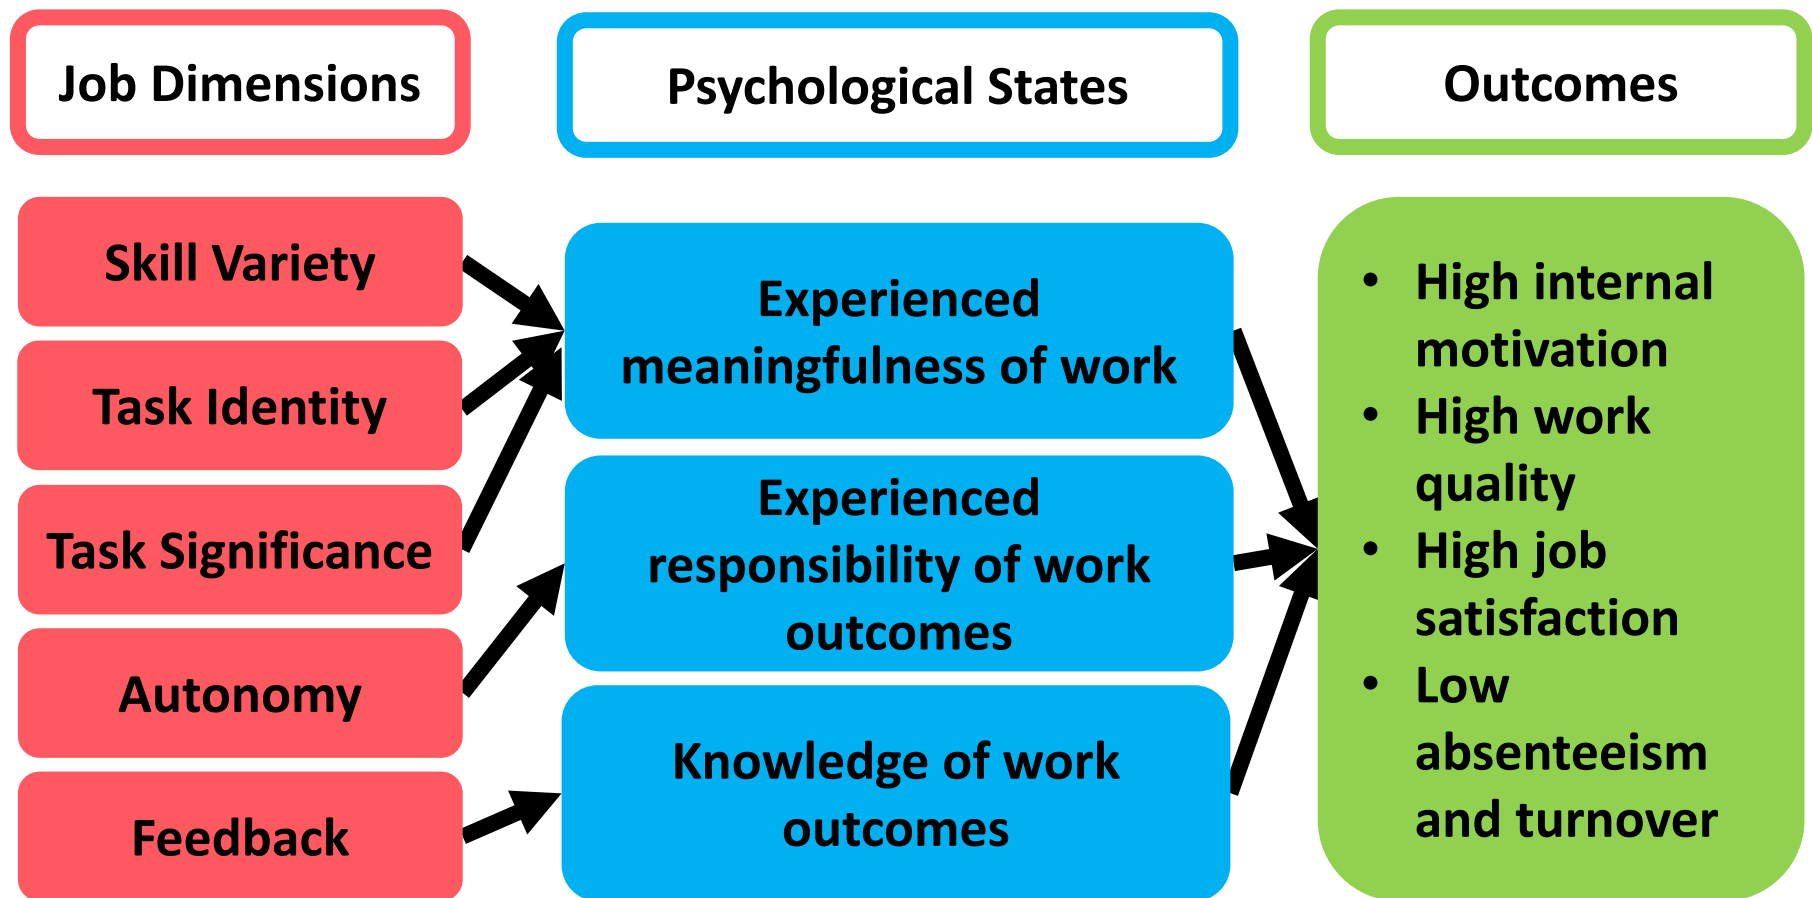

How can we motivate from  
within the job?

# How can we motivate from within the job?

- **Job enrichment:** Changing a job's requirements to enhance its value to the employee
  - Identify who is open to the process
  - Identify opportunities for change

# How can we motivate from within the job?

# How can we motivate from within the job?

- **Skill variety:** The degree to which a variety of skills are used to complete a job

# How can we motivate from within the job?

- **Task identity:** The degree to which tasks are completed from start to finish

# How can we motivate from within the job?

- **Task significance:** The degree to which the job impacts others and the organization

# How can we motivate from within the job?

- **Autonomy:** The degree of freedom to choose how tasks are completed

# How can we motivate from within the job?

- **Feedback:** The degree to which the job provides information about the employee's performance

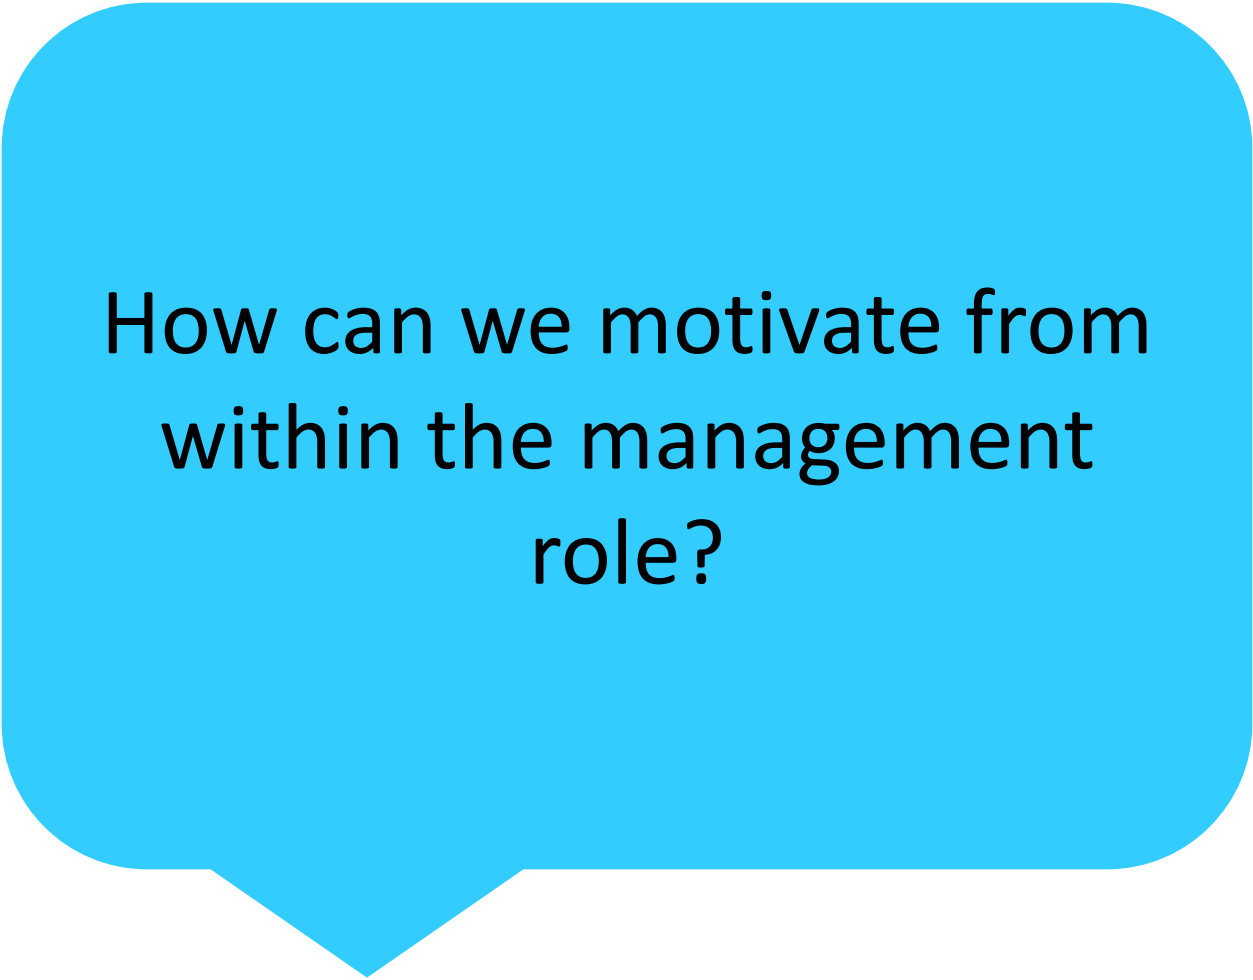

# How can we motivate from within the job?

- Employees benefit because their jobs are more interesting, meaningful, and challenging.
- Managers and organizations benefit because their employees are motivated, satisfied, and productive.

*I ♥ my job*

How can we motivate from  
within the management  
role?

# How can we motivate from within the management role?

**Goal-Setting**

**Reinforcement**

**Support**

# How can we motivate from within the management role?

- **Include people in the goal-setting process as much as possible**

# How can we motivate from within the management role?

<b>1</b>	<b>Specific</b>	<b>Who, what, when, where, how</b>
<b>2</b>	<b>Measurable</b>	<b>How much, how many</b>
<b>3</b>	<b>Attainable</b>	<b>Realistic and feasible</b>
<b>4</b>	<b>Relevant</b>	<b>Meaning and value</b>
<b>5</b>	<b>Time-Bound</b>	<b>By when</b>

# How can we motivate from within the management role?

- Write goals down!
- Clearly communicate performance expectations and desired behaviors

# How can we motivate from within the management role?

**Positive reinforcement:**  
Add something valuable

**Negative reinforcement:**  
Remove something unpleasant

How can we motivate from within the management role?

# How can we motivate from within the management role?

- **Correct or punish undesirable behaviors**

## **Punishment:**

Add something unpleasant  
or remove something  
pleasant

# How can we motivate from within the management role?

- Be supportive
- Provide feedback
- Encourage
- Acquire resources
- Remove obstacles
