

EVERY COMPANY HAS A DIFFERENT JOURNEY.
TECHNOLOGY FINANCE CORPORATION HELPS YOU WITH YOURS.

The journey your company takes to grow is unique. You need additional technology to accommodate your growth. TFC takes the time to hear your story and provide a financing solution no one else can deliver. Our innovative financial solutions help your company achieve or maintain its technology edge while preserving your cash. Whether it's using our application-only process or our network of investors, we will find the resources required to help grow your business. We are the leading provider of technology leases to growth-minded small and middle-market companies.

TFC PROVIDES YOU WITH MORE

- Capacity to work with vendors, resellers and their customers
- Ability to work with companies from start-up to Fortune 500
- Non-bank owned allows us to be flexible and independent
- Various structures, from traditional to innovative
- Entrepreneurial approach allows for customized financing solutions
- Offer multi-funder model/single platform
- Simplicity — one single contract to cover multiple IT providers
- U.S. coverage
