OUR STORY

Our journey began with a deep passion for transforming the service sector landscape and addressing commuters' and businesses' challenges. Founded by a team of industry experts, our company was born out of the desire to create a reliable and efficient service system that meets the evolving needs of our customers.

TOOFAAN RESOURCING COMPANY - K.S.A

www.toofaanksa.com

MISSION

Our mission is to provide reliable, safe, and efficient transportation services that exceed customer expectations. We aim to be the preferred choice for individuals and businesses seeking seamless services.

VISION

We strive to continuously push the boundaries and deliver unparalleled value to our customers, while maintaining a strong focus on ethical business practices. Through our services we aspire to empower individuals to express themselves.

Coaster

The cabin seats 29 passengers including the driver with enough room between seats. It has a high roof that creates a spacious interior providing comfort during long drives.

Luxury Bus

Comfortable, leather seats, an extra head, and legroom, as well as seats that recline to 140 degrees, will make your ride unforgettable.

Sprinter

The 8.5 metre long Sprinter Travel 75 comes as standard with 18 seats, up to 21 on request plus a tour guide seat.

Toyota Haice

double-cab pick-up, a super-long-wheelbase van, and a super long, high-roof Commuter. The Commuter models can seat up to 15 designed to handle "light to medium commercial needs

The scope of services among heavy transport companies in Saudi includes all types of trucking, trailers, and equipment to handle a wide variety of requirements. No matter what the industry offers, our company caters to individual requirements with a full range of equipment.

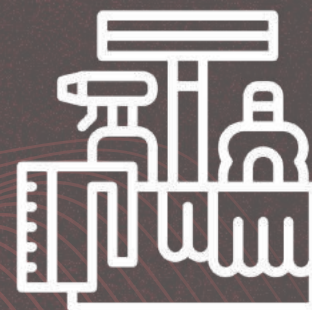

We are the most streamlined heavy truck transport companies in Saudi for any project as the delivery of oversize and heavy components is key to a project's critical path.

WASTE MANAGEMENT

At Toofan, we are committed to providing comprehensive waste management services that prioritize sustainability, efficiency, and environmental responsibility. With a deep understanding of the challenges posed by waste management, we offer tailored solutions that help businesses and communities effectively manage their waste streams while minimizing their ecological footprint.
