

To whom it may concern,

I hope this message finds you well. My name is Catherina Taylor, and I'm reaching out on behalf of Groove Impact, LLC to invite your business to be a part of a special fundraising event that brings the community together for an important cause.

We are hosting a dance-themed fundraising event in support of Children's Miracle Network Hospitals, a nonprofit organization dedicated to improving the lives of children through vital medical care, research, and education. All proceeds from the event will go directly to support these efforts and help provide life-saving treatment and care to children in need.

We are currently seeking community-minded companies like yours to join us by participating in or sponsoring this exciting event. Opportunities for involvement include:

- Sponsorship or donation of funds, services, or products
- Participation in the event through a company team or performance
- Promotion of the event through your business channels
- Raffle prizes or silent auction contributions

By partnering with us, your company will not only gain visibility and goodwill in the community, but also help make a meaningful difference in the lives of children and their families.

We would love to discuss how your business can get involved and tailor a partnership that fits your goals and capacity.

Thank you for considering this opportunity to support a joyful, high-energy event that truly changes lives. I'll follow up with you soon, but please feel free to reach out to me directly at 407-614-7114 or grooveimpactllc@gmail.com with any questions.
