Subject: Important Check-In

Dear           ,

I hope you are doing well. I know the last few weeks have been difficult for many due to the death of George Floyd and the increased conversations about systemic injustices and police brutality.

One of the ways I'm trying to help foster change in the current climate is by having courageous conversations with the people I love and care about you- you are one of them! I want to do everything I can to help diversity, equity, and inclusion be topics that are valued and celebrated.

Have you had the opportunity to participate in an activity that promotes a more diverse, equitable, and inclusive world this week? I had the opportunity to           .

Another way I'm trying to help others is by sharing action-oriented solutions with my network. Here is a website I recommend, [ifollowtheleader.com](https://ifollowtheleader.com). I want to let you know I'm here for you if you have any questions or wish to have more conversations about this topic.

Warm regards,

[First Name, Last Name]
