

O.C. Wilson Scottish Rite Club

February 12, 2024

Dear prospective donor;

The members of the O.C. Wilson Scottish Rite Club and the staff at Hannibal Regional Pediatric Speech Department would like to thank you in advance for your consideration and support. We would like to take this opportunity to tell you about our exiting program.

In 2010, the Scottish Rite Freemasons Valley of Columbia and RiteCare Valley of Columbia made an inaugural gift to the Hannibal Regional Hospital's speech therapy assistance program to provide scholarship funds for speech therapy services for children 9 years and under who might not otherwise receive treatment they need. The RiteCare Valley of Columbia supports the ongoing partnership with Hannibal Regional Hospital to perpetuate the mission of helping children.

Casino Royale is organized by our local Scottish Rite group & Hannibal Regional Healthcare System, a local fundraiser which supports children in need of speech and language therapy services that may not be otherwise covered by the child's school district or insurance company.

Our Partnership first began in January of 2010 the funds obtained also allow us to provide speech and language screenings to local daycares; in 2023 alone we have been able to provide free screens to over 1200 children; these funds also allow us to purchase equipment or replace items which have been heavily used over the years.

The scholarship program was established in 2010 and since then we been able to provide speech therapy services to over 95 children and the number of applicants keeps growing.

With your generosity we would be able to help more children throughout the year. We have attached information regarding our Casino Royale Night, please take a few minutes to look over and any contributions would be appreciated.

Sincerely,
O.C. Wilson SRC
Fundraising Committee
