Old Business:

- **May 7th Mixer**

Discussion about moving forward with the dinner due to low registration. We agreed to move forward with the event. We have 20 registered attendees.

Leslie Tobin will take care of ordering food from the same catering company as last year. The room is reserved at the ONBOCES conference center and Ashely is sending out reminders for registration for the event.

Patrick Longo is set to do the presentation for the event.

- **August Mixer**

Beth is contacting the Wilson House to get pricing and reserve the venue. We discussed moving the date so that it isn't on a day that any district has a BOE meeting. One suggestion was to have it on the date of our regular NOSBA meeting, which would be Aug 26, 2026 instead of Aug 20, 2026. We tabled the discussion and will talk about it further at the next meeting.

The idea for the meeting was to have it be a more informal informational event. The idea was pitched by Beth to have districts volunteer to showcase initiatives that they have that may be unique to their district. The goal is to collaborate to support one another with programming for their district. We will brainstorm ideas at the next meeting.

New Business:

- Calendar for next year:

Beth asked everyone to come up with dates and ideas for programs for the 26-27 school year. Leslie Tobin informed us that Dave Lowery from ECSBA reached out and talked about a joint resolution dinner prior to the business meeting in the fall. Dave will reach out to Beth. This idea was well received by those in attendance.

Motion was made by Kathy Stewart and seconded by Leslie Tobin to adjourn at 6:40 PM.

Respectfully submitted,

Beth Pyskaty
