Joint Venture Capital Partner

Requires Opportunities to Invest in Prestige Apartment Developments

Minimum 100 Apartments

Prime City Fringe and Inner Suburban Locations

**Request for Information**

Kaufman Property is working with an international investor, to identify prestige apartment development opportunities, in prime city fringe and inner suburban locations.

**Requirements**

Experienced developers with a strong track record of successful projects.  
Permit approved sites, ready to commence construction within the next 6 to 9 months.  
Projects with a minimum of 100 apartments will be considered. Larger projects are preferred.  
Opportunities to invest equity or preferred equity.

**Additional Information**

Available options are required to be submitted via email addressed to James Kaufman
