DFPS/CPS, foster care agencies, schools, hospitals, group transportation, long-distance trips, and recurring agency routes:
Call for a customized quote or contracted rate.

Note: Medicaid approval Pending

Pricing Notes

- Rates are starting prices and may be adjusted for distance, schedule, route complexity, number of children, and special service requirements.
- Recurring school transportation reserves a seat/route for the agreed service period.
- Parent/guardian or authorized adult must provide accurate pickup, drop-off, school, and emergency-contact information.
- All rates and policies may be edited by SafePath Youth Transportation before publication or contracting.
