

# Eagles 3142 Updates!

August 24, 2025

- ✓ **Changes:** In July, some of our officers moved on to different goals. Following our Constitution & Statutes, at the first meeting in August, the presiding Officer opened Nominations to fill the vacated Chairs. In the end, there was only one person Nominated for each open position and the Secretary moved for a “White Ballot.” The Aerie voted favorably, and no further elections were needed. **CONGRATULATIONS** to the Eagles 3412 Aerie Officers!

- Jr. Past Worthy President      Deidre Holmes
- Worthy President              Vern Lail
- Worthy Vice President        Billie Lail
- Worthy Chaplain                Manny Castro
- Aerie Secretary                Amy Romiguere
- Worthy Conductor              Irma Tudara
- Trustees: Norm Llanes, Santiago Galvan, George Castro

Two openings are still available (Treasurer, Inside Guard) and we are always looking for “Trustee Helpers.” If YOU can step up, YOU would be an Eagle Hero! Tell any Aerie Officer that you are interested, we will work with you!!

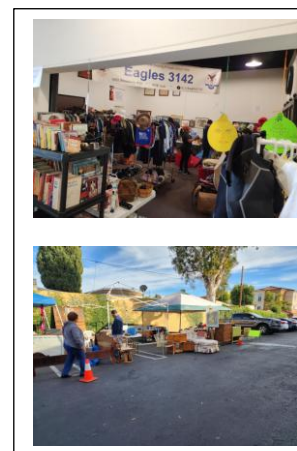

- ✓ **Sat Sept 13<sup>th</sup>:** Mexican Independence Day Fiesta & the big Canelo Alvarez Boxing match (8 or 9pm) It’s a Mashup!! Enjoy homemade Tamales and other South-of-the-border goodies, dance to your favorite music with DJ Chaka, get excited for the fight, and have a great evening at Eagles 3142! Bring your friends! Look for more information in the Aerie!

- ✓ **October:** It’s THAT time of year again! **Rummage Sale Time!**

This year we are doing it differently. Instead of spending a week tearing the Aerie apart, and another week putting it all back together again, this year we will be taking “the shop” to the people who buy the stuff: The Swap Meet! We are looking at 2 weekends in **mid-to-late October**.

Bring all your donations (for the Rummage sale) to the Aerie, every Sunday by 2pm, now until the Event. We will have a trailer to fill, and then some trucks! If you no longer need it, AND it is still in very good condition, clean it THEN Donate it to the Eagles! If you have a larger number of items (or just larger items) talk to Vern or Manny about getting “pick-up service” at your house!

Yes, your Aerie needs the money, but it also needs the People to step up and help.

- Can you deliver, to the Aerie, things from your neighbors?
- Can you help load the Trailor each Sunday? (1-2pm)
- Could you come with us to the Swap meet to help sell the goodies?
- Can you store some items for us if we start to run out of room?
- Is there anything else that you would be willing and able to do, to help your Aerie be successful at this endeavor?

This is the Time, we have less than 60 days, just 7 weekends, , let's make this happen! ☺

- ✓ **Entertainment:** Everybody loves our entertainment! We NEED it, you want it, it brings people into the Aerie! But, ... it costs money! In order to schedule entertainment, we need to book it 2-6 months in advance. To do THAT, we need to have a special Entertainment fund dedicated only to bringing the best entertainers HERE! Time for a THINK TANK! How do we raise money, separate from everything else that we are already doing? Think, Think, THINK! Share your best ideas at the next Aerie Meeting (Sept 4<sup>th</sup>, 7pm). The Aerie meetings are where we create the future. Join us, so that we can create the best future possible!
