Nomad News

Breaking News!

Another “Nomad Partnership” has been accomplished! The Imperial Beach Fleet Reserve loved what we did with them for our September Birthday Bash! They have invited us to make it a standing gig! (See page 5 for more info & page 10 for the flyer.) We are currently working on 2 more partnerships for other functions, events, and parties!. Eagles 3142 is truly popular!

Worthy President’s Message

Congratulations Eagles 3142! When we first started this mad journey into NOMAD territory, there was some small bit is suspended belief. There has been some “holding of our breath” as we take baby steps into the unknown. But we have made great progress! Aerie & Auxiliary meetings are well settled, other internal groups are doing well, Events are happening in diverse locations, and our members are starting to Believe again!

Our **Park Event** went very well! Thank you to Manny Castro for all his work to make that happen. He planned it, found the location, advertised it, coordinated the volunteers and food donations, set it up, did the cooking, and then did the cleanup work. He wasn’t entirely alone though. His volunteers did an amazing job! We had about 30-40 members and guests, games, raffles, music, food, and we raised money for our Bills and for Charity. It was our first Park Event, and it got a slow start, but then it picked up and fun was had by all! In the end, many people stepped up and helped with the work. We have been asked to make this an annual event. Maybe even twice a year! Please attend your

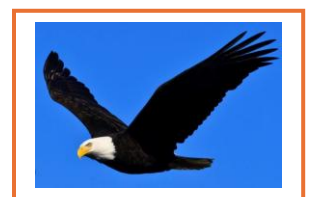

membership meetings, discuss it, and Vote. Because THAT is how events happen in the Eagles!

Our **CPR Class** was a success also! This was David Perez’ first time being a Chairman, and he did a great Job! It had a rough beginning due to some late advertising, but everyone was impressed. (First times are often a bit rough.) Four of our members got Certified, lunch was served, and we raised more money for our Bills and Charities! We had some members who would have liked to have been there, **and** CPR Certifications must be renewed every 2 years, so... this could become another repeating event for us! Future classes would be limited to 6 attendees. So, talk and vote on this one too.

The Aerie has purchased new **“Service Years” pins**. For every 5 years of Service, you are awarded a new pin to wear with pride. Presentations are made at the Aerie (or Auxiliary) meetings, or in Special meetings. Be sure to attend your meetings! ☺

Billie Lail,

Worthy President

Auxiliary Messages

Hello Sisters!

Fall is here! Most of you have been extra busy this summer (and the heat has been just awful) so our meetings have been a little thin. We absolutely understand! Unfortunately, without YOU, it has been difficult to plan new gatherings and events. Now that things are settling back down, we should be able to "pick-up where we left off!"

Please remember that we ARE having our regular Monthly Meetings at the Library. The Library has plenty of parking, is Air Conditioned, well lit, we have a private meeting room, and we are having GREAT Raffle Fun while we are there! **We do have some good ideas in mind**, and we are trying to work on them, we just need more ladies to show up at our meetings to think of even better ideas and volunteer to help work on them. "Many hands make light work."

No one should ever need to work on a project alone, We all help each other! Please come help make it possible to support all our important Charity Work!

Trustees Chambers

Trustees meetings are resuming! It has taken us some time to pull it all together, but every month we get it just a little bit better! This month we are focusing on re-convening our regular Weekly Trustees meetings (as required by our Constitution and Statutes.) We may have no building, but there are many other tasks to be planned and considered. These meetings will be held on **Mondays, at 6:30pm, and they will be online** (nowhere to go, and really easy to get there!) The format will be published in the newsletter (beginning next month) so that our members can access the meetings, if/when needed! We should have all the details worked out by the end of THIS month!

Did You Know: FOE.com/Benefits of being an Eagle?

What do my yearly Dues buy? (or: What's in it for me?)

The perks of being an Eagle member are countless! From life-long friendships, care for your family, helping other families in need, saving money, the ability to be a guiding influence in the lives of others, and to make real and positive changes in our world! (Yep, those are all benefits of being an Eagle!)

A renewed focus on both membership growth and retention is leading to the development of a stronger and more prominent slate of Eagle financial benefits. The newest addition is **Well Care: the Fraternal Order of Eagles Medicare Advantage Plan!** Take a few minutes to scroll down the F.O.E. Web page to view the various benefits that you have access to, simply by being an Eagle in Good Standing* (*Paid your yearly dues.). Today we are focusing on the **financial savings benefits**.

1. Log on to FOE.com . (If you are reading this online, you can click that link!)
 - a. On your first visit to the new site, you will need to Re-Register with your GAID# and choose a password. (It is THAT simple!)
2. Scroll down to “[Helping You Save](#)”
 - a. Click “[View our list of benefits](#)”.
3. The top of the Benefits page is Eagle Program Benefits. (They are amazing!)
 - a. Scroll down to “[Affinity Programs](#)”.
 - b. Browse through and find the company you are looking for!
 - c. All the necessary codes and links will be in that listing!
 - d. These are for Eagles Only. Do NOT share the codes/links with Non-Members!

How Many Benefits? You may never know; because every time you turn around, there are new ones! At the last count there were at least 26 companies affiliated with, and giving substantial discounts to, the FOE; and there are more being added, even as we learn about it! How much money can you save every year?

Recycle Income!

From time to time, we all use items that come in Recyclable containers. We pay the Recycle FEE at purchase and get our money back when we recycle. Unless, [we Donate that container to THE CITY](#) by putting it in a trash service Recycle bin! **MAY WE ASK...** would you be willing to [donate those items to EAGLES 3142](#) instead? We put that money into the Monthly Charity Donation; that way, you will always know which

Good Works your donation is funding! You can drop off your items at your Regular members meeting, and most outdoor Eagle Events! Currently we are able to accept: **Aluminum cans, glass & plastic bottles; all with a CRV emblem.** For safety and sanitary reasons, please separate items, then bag, box, or use other appropriate containers for transport. THANK YOU!

A huge THANK YOU to Manny Castro for doing do all this WORK! [Can you help him?](#)
Text the word “Recycle” to Manny (See page 8) to let him know you can help, Or to get more info.

Happenings! & Opportunities to Volunteer!

We joined the Eagles so that we could socialize with like-minded people and make a positive difference in our world. Let's make that happen!

- **Ideas Needed!** Currently we are focusing on having just one or two functions a month. But it won't always be that way! As our members think of new ideas, and volunteer to CHAIR them, we will be adding more fun and games to each month! What ideas do YOU have? What functions or events would bring joy to you, and all of us? What work can YOU do? Bring ideas to your meetings. Any good ideas with no volunteer can be routed to the J.E.B. meetings so others can have a chance at them. Do Share! But mostly **we need Ideas WITH the Hands to work them.**
- **Service opportunity:** Are you creative? Can you use your computer to make flyers for our upcoming events? We are looking for 3 people who can help with this very important work to become our new Publicity Committee! For more info, or to Volunteer Text "Flyers" to Billie. (See page 9.)

Happenings (need volunteers here also!)

Unless specifically noted, outdoor, or, "in a non-Eagle Building", activities & events (Not meetings) are generally open to EVERYONE, including friends, family, and neighbors! Let's create some fun!

Current Events

- **District 24 Meetings:** (Eagle Members Only.) **Date challenge!** Many people were out of town last week, so the District meetings were canceled. We are trying to re-schedule. It is Chula Vista's turn to host, but, so far, all of our alternate meeting locations have been unavailable for the new date. And now we have learned that several District officers will not be available for the 18th, either. Sadly, there may not be a meeting this month. Keep an eye on your EMAIL, Text messages, and Facebook- [FOE District Twenty Four](#) page, for updates from District 24 Secretary, Dawn Billburg. (If you are reading this online, That is a clickable link to the Facebook page.)
- **Aerie Meetings:** 1st & 3rd Thursdays, 7pm, Seabreeze Church: 1220 Elm Av, Imperial Beach 91932
- **Auxiliary Meetings:** **Date Change for THIS month** Friday October 16th, 330 pm. Chula Vista South, Library: 389 Orange Ave, Chula Vista, CA 91911.

- **Pre-Halloween Party!:** **Friday Oct 30th, 6:30-10:30pm.** Eagles 3142 is invited to **join** the Fleet's party featuring **KOPY KATS** live band and costumes are NOT required. **Held** at the Fleet Reserve #288, 659 Silver Strand Blvd, Imperial Beach 91932. (See flyer, page 10.)
- **REAC Dinner:** **must be rescheduled.** The hosting property double booked. We will send out an update/flyer as soon as possible.

Save the Date

- **Oct, Nov & Dec Giant Birthday Bash Fri Nov. 20th.** Free Cake & Ice Cream, little gifts for the "Birthday Kids", Raffles, Karaoke by KJ David Perez, & Alcohol will be involved! We will combine these three months with an extra special Party, because the Holidays are already so very busy for everybody! Held at **The Fleet Reserve #288, 659 Silver Strand Blvd, Imperial Beach 91932.** (See Flyer, page 11.)

Communications:

1. **J.E.B. Meetings:** The executive Officers have been asking, and they are correct! “When will the J.E.B. meetings resume?” Good News! JEB is back! Or, it will be, just as soon as we determine a Day, Date, Time, and Location. We will use a Text String, on your phone, to hold an open discussion. Billie will set up a **Text String for Monday afternoon, Oct 19th**. All executive Officers should be included. We may need a couple of days to get answers from everybody, but this is the least “work intensive” manner of getting started! Looking forward to hearing from all the executive officers!
2. **State Newsletter:** California State Aerie publishes a newsletter every month. There is information about Grand Aerie, State Officer visits, State functions that all members are invited to, and more! Would our members like to have that newsletter forwarded to your email? Attend your next members’ meeting and discuss this together, please. Aerie and Auxiliary thoughts will be brought to the next J.E.B. Meeting. Thank you!

Our Charities:

Supporting Charities, through fundraising, is our purpose.

Having fun is the process whereby we raise those funds!

Are we having fun yet?

The Fraternal Order of Eagles donates nearly \$10 million annually to a variety of national and local organizations specializing in research, patient care and community improvement. Of course, this total only indicates the Donations that are sent out through the Grand. If an Aerie or Auxiliary is making donations directly to any charities, without sending the money to Grand first, then that donation is NOT included in this total! How much are we really donating? A lot more!

Are you Proud to be an Eagle? Are you impressed with the positive change that we make in our world! You have every right to be proud and impressed! So, what Charities do we support?

Do You Know?

Charity Foundation

Children’s Fund
Cancer Fund
Heart Fund
Spinal Cord Injury Fund
Kidney Fund
Diabetes Fund
Alzheimer’s and
Neurological Fund
Parkinson’s Fund
Golden Age Fund
Muscular Dystrophy Fund
Home Fund

Other Eagle Outreach

Operation Eagle
Memorial Fund
Eagle Village
FOE Diabetes Research Center

Well Care (Eagles Medicare advantage plan)

Plus, all the local Charities to whom we just present a check, without going through grand!

Here at Home, Eagles 3142 presents our Charity Checks to the CA State Convention, every year! our REAC members present a check to the Chula Vista Veterans Home, every year!

Sires & Arabella’s Unit 3 present a check to San Diego Center for the Blind, every year.

District 24 presents checks to help support members who are running for California State Offices. (These members pay their own way, pay their gas, hotel, and food expenses, buy giveaways for their election campaigns, and more. That small check makes a BIG difference!

That’s a lot of Donations to be proud of!

Looking for Charity minded Business owners!

Show **this** to all the business owners you can find! It can be a store, like your favorite Restaurant, or a Service industry like the best Yard Care or trustworthy window washer! Ask if they would like to advertise their business to our members through our newsletter! Our prices are very LOW, and our members live locally; this is VERY GOOD for the business owner! All advertising will come at YOUR invitation!

For Print-Ready advertising:

it helps raise funds for CHARITIES!**

Advertising like this will give our members a chance to share, and to learn, about the "Hidden Gems" in our community, and it will help offset the expenses for printing the newsletter and mailing it to our members who do not use email. It's a win/win for ever
