## STATE MEMBERSHIP

I would like to remind everyone that it is almost time to start renewals. Planning early bird dinners and events to keep our members current and involved will help to lead to higher retentions. We have averaged about 2000 new members and re-enrolled members every year, but last year we lost about 2800. Let's finish this year strong we need 800 more members

Thank you Rick Hart

## Dallas Grand Convention

Brothers & Sisters, please don't call the Convention Hotel in Dallas for Convention Rooms until the Eagles opens their Room Block. If you do you will be most likely paying more than the rest of us. The Grand Aerie will not take responsibility in getting your money back. This Hotel has over 3000 rooms. Everyone will get one. Block should open around the end of this month first of March.

Greetings brothers,

I hope everyone had a great February. We started off this month with a visit to Hemet. We were served a made from scratch, hand breaded, and fried Schnitzel. It was amazing. It was followed by a delicious cake. I received the Hemet Feather of Appreciation from Rick Hart and a very generous donation to the City of Hope. Officers attending were VP Rick Hart & Stephanie, Trustee Billie Lail, and Outside Guard Bob Densmore.

Next was on to South Gate for their 102<sup>nd</sup> anniversary. It was a lovely celebration where I got the privilege of presenting their past presidents a thank you for their service. They served fantastic street tacos and I got cake again. Attending officers were PWRP Larry Steketee, Trustee Jerame Mote, Conductor Danny Collins, and Outside Guard Bob Densmore. It is amazing to be able to celebrate milestones with my brothers, especially one over a hundred years old. Keep up the great work South Gate!

Our next visit was to the edge of California as we traveled to Needles. Before stopping at Needles, we visited the Lake Havasu Aerie in Arizona for lunch. It was great, if you have not seen their beautiful aerie I suggest you stop in if you have a chance. We were surprised by visitors from the area PSWP Don Batts and his wife Beth along with PSMP Ola Harris. It was such a treat to have them show up for the visit. After that we headed to Needles to put on the ritual for the Needles brothers. Some of your state ritual team were joined by members from the Arizona team to help with the initiation. We initiated 5 members. Then for dinner we had a delicious tri-tip and finished the night out with some karaoke. We stayed for the District 23 meeting on Sunday before heading home. Attending officers were PSWP Don Batts, and Beth, Trustee Jerame Mote, VP Rick Hart and Stephanie, Outside Guard Bob Densmore and Kat, Conductor Danny Collins, PWRP/Treasurer/Eagle Village Director Richard Harder, Trustee George Lopez, Trustee Billie Lail, Trustee Nic Cohn, PWRP Larry Steketee, DSP Bob Burke, DSP Diedre Holmes, and DSP Eric Martin.

I made a special visit out to the City of Hope next. Grand Madam President Rebecca Pelkey was traveling with the California State Auxiliary Officers, and we got to tour the campus with her. It is always amazing to see the work they are doing at the hospital. We heard from Francis Fong the blood drive coordinator and Dr. Ma a cellular specialist, and it was very informative. The work they are doing is amazing. It puts the traveling and fundraising into perspective, and I feel very lucky to get to do it. It was a very inspiring day and it was a nice visit with the grand madam president and the Auxiliary state officers.

Next was to Azusa to welcome Grand Worthy President Dave Wooster. We had steak and shrimp for dinner. Next was to Carson for Lunch. They served and we enjoyed barbecue chicken. Next was on to Altadena for the Fez presentation. I had an outstanding salmon for

dinner. Then we visited Santa Monica and had a delicious pot roast and veggies. Finally for my last visit with the grand president was right back to South Gate. We were served fried chicken that was very tasty. The Grand President continued on to Santa Maria but I had to get back home to work. I have been lucky they've given me this much time off for my eagle duties. During the visits I got to travel with Dave one thing was clear about his messaging "stop the leak". He talked about how members are walking out the door and never coming back. Whether that is early on in their membership or after years. It comes down to how we treat each other. We need to make it a point to welcome new members, invite them to be a part of what we have going on and thank them for their help. As far as long-term members, they typically leave because of strife and bickering in their aeries. We need to do are best to get along, and if we disagree, disagree respectfully and remember we are part of something bigger, and we need to work together to accomplish the mission before us. That is to help our fellow man and be impactful in our communities.

That is it for travel for the month of February. Next month I am looking forward to visits every single weekend. We will be celebrating our state Vice-President in Eagle Rock. We are also traveling out of state to attend the WOW conference in Nevada. If you have never been I suggest you register and try to make it. It is an excellent conference and a chance to interact with the grand officers that attend. Please look at the schedule and see if you can come join your State Officers on any of our travels, we'd love to see you.
