Welcome! All new participants starting with Circle of Friends!
Welcome, all new staff starting with the Circle of Friends!

Upcoming events for the residents at the Circle of Friend for May:

Participants and staff will be engaged in various activities during May. We will be bringing in May with spring vibes our 1st activity we will be going to the Milwaukee Public Museum. Circle Of Friends staff and participants will be going to Five below to do some shopping (participants request). We will be celebrating Memorial Day making USA flags. Participants will also engage in various arts and crafts activities. They will be making their own personal bird feeders to put outside and hang on the trees. May lunch outing will be Dairy Queen; we also will have an ice cream social all in one trip. We will be doing more outside activities as the weather permits.

Circle of Friends Participants will be making their own Crayola candles. We will continue to relax our clients by doing aromatherapy hand massages, face shaving, and manicures. The program participants love the self-care activities. Circle of Friends offers a variety of goal orientated activities and opportunities that promote independence. Individuals choose to participate in activities and community outings based on personal abilities and interest. We have something to offer all participants who attend the program. More summertime fun will be approaching, Circle Of Friends staff also look forward to having picnics outside.
