2. We have increased sanitation and cleaning practices. All program space plus any activity supplies and equipment used will be cleaned by our staff multiple times each day.
3. Hand sanitizer will be used frequently by clients and staff throughout the day.
4. Anyone entering our building must have on a face mask.
5. Social distancing measures will be followed whenever possible. Program rooms have been reconfigured to help with appropriate spacing recommendations.

As always, we are committed to the continuous safety of our clients, families, staff, and community partners.
